1.0 SUMMARY & SCOPE OF NATIONAL COOPERATIVE

The University of North Florida (herein “Lead Public Agency”) on behalf of itself and all states, local governments, school districts and higher education institutions in the United States of America, and other government agencies and nonprofit organizations (herein “Participating Public Agencies”) is soliciting proposals from qualified suppliers to enter into a Master Agreement for a complete offering of Promotional Products (herein “Products and Services”).

ALL PRODUCTS OFFERED MUST BE NEW, UNUSED, LATEST DESIGN AND TECHNOLOGY UNLESS OTHERWISE SPECIFIED.

1.1 OBJECTIVES

- Provide a comprehensive competitively solicited and awarded Master Agreement offering Products and Services covered by this solicitation to Participating Public Agencies.
- Establish the Master Agreement as the Supplier’s primary offering to Participating Public Agencies.
- Achieve cost savings for Suppliers and Participating Public Agencies through a single competitive solicitation process that reduces the Supplier’s need to respond to multiple solicitations and Public Agencies’ need to conduct their own solicitation process.
- Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost-effective pricing.
- Reduce the administrative and overhead costs of Suppliers and Participating Public Agencies through state-of-the-art ordering and delivery systems.

1.2 GENERAL DEFINITION OF PRODUCTS AND/OR SERVICES

The University is interested in receiving proposals from firms that are able to provide promotional products in the below categories. Proposers are not required to provide products for all listed categories, nor is this intended to be an exhaustive list.

- Apparel
- Drinkware
- Bags and Totes
- Awards
- Office/Classroom/Dorm
- Writing Instruments
- Stationary
- Health & Wellness
- Technology
- Trade Show

1.3 GOVMVMT PURCHASING COOPERATIVE

GovMVMT Purchasing Cooperative (herein “GovMVMT”) assists Participating Public Agencies to reduce the cost of purchased goods through strategic sourcing that combines volumes and the purchasing power of public agencies nationwide. This is accomplished through an award of competitively solicited contracts for high quality products and services by large and well recognized public agencies (herein “Lead Public

Agencies”). The contracts provide for use by not only the respective Lead Public Agency, but also by other Participating Public Agencies.

Innovative Government Services Association

Innovative Government Services Association (IGSA) is designed to provide best-in-class competitively bid contracts to public and nonprofit agencies. The founders have a long history of providing successful programs and services in these sectors and founded IGSA to continue the non-profit mission of providing value-added programs and services while giving back to the communities that we live and work in.

GovMVMNT is IGSA’s premier national cooperative purchasing program designed exclusively for public agencies and nonprofits.

Participating Public Agencies

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, contractual disputes, invoicing, payments, etc.

The Lead Public Agency is acting as a “Contracting Agency” for the Participating Public Agencies and shall **not** be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency. Participating Public Agency releases Lead Public Agency, GovMVMNT, and any other Participating Public Agencies, including their respective agents, directors, employees, or representatives from any acts, liabilities, damages, etc., incurred by Participating Public Agency.

Use of the Master Agreement by any Public Agency is preceded by their registration with GovMVMNT as a Participating Public Agency in the GovMVMNT Purchasing Cooperative program.

Registration is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA). MICPA outlines the terms and conditions that allow access to the Lead Public Agencies’ Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of MICPA is attached as ‘Exhibit D’ of Section 8.0 GovMVMNT Compliance Document.

By using the Master Agreement, any such Participating Public Agency agrees that it is registered with GovMVMNT, whether pursuant to the terms of the MICPA or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between Supplier and the Lead Public Agency will be the same as that available to Participating Public Agencies through GovMVMNT.

Estimated Volume

The estimated dollar volume of Products and Services purchased under the proposed Master Agreement is Thirty-Five Million Dollars annually at contract maturity. While no minimum volume is guaranteed to the Supplier, the estimated volume is based on the current annual volumes of the Lead Public Agency and other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through GOVMVMNT as well as through volume growth into other Public Agencies employing a coordinated marketing approach between Supplier and GOVMVMNT.

Marketing Support

GOVMVMNT provides marketing support for each Supplier’s products through the following:

- Sales and marketing personnel that directly promote the GOVMVMT Suppliers to Participating Public Agencies through public agency meetings, webinars, direct mail, email, online and print advertising, social media, articles, and exhibiting and presenting at national and local trade shows.
- GOVMVMT provides Suppliers government sales training, and a host of online marketing and sales management tools to effectively increase sales through GOVMVMT.

Multiple Awards

Multiple awards may be issued as a result of this solicitation. Multiple awards will ensure that any ensuing Master Agreements fulfill current and future requirements of the diverse and large number of Participating Public Agencies.

The Lead Public Agency reserves the right to award the contract locally and/or nationally in the aggregate, by section, multiple awards, primary, secondary, and tertiary, whichever is in the best interest of the Lead Public Agency and Participating Public Agencies because of this solicitation.

Evaluation of Proposals

Proposals will be evaluated by the Lead Public Agency in accordance with, and subject to, the relevant statutes, ordinances, rules, and regulations that govern its procurement practices.

Other Participating Public Agencies will assist the Lead Public Agency in evaluating proposals. The Supplier(s) whose response(s) affirmatively meets the requirements of this Request for Proposals and provides the best overall value will be eligible for a contract award. GOVMVMT reserves the right to make available or not make available Master Agreements awarded by a Lead Public Agency to Participating Public Agencies.

1. REPRESENTATIONS AND COVENANTS

Commitments

GovMVMT views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both GovMVMT and the Supplier. GovMVMT requires the Supplier to make the four commitments set forth below (Executive, Value, Differentiator, Sales and Marketing) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies.

2.1 Executive Commitment

- (i) A true partnership: Supplier shall have full commitment of the Master Agreement from the highest executive level of the organization at any time. This includes being supported by the Supplier's senior executive management.
- (ii) The pricing, terms and conditions of the Master Agreement shall be Supplier's leading contractual offering of Products and Services to all eligible Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Suppliers contract options.
- (iii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.
- (iv) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.
- (v) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.
- (vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMT concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's GovMVMT program and linked to GovMVMT website and shall implement and support such web page.

- (vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the GovMVMT program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.
- (viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

2.2 Value Commitment

- (i) Supplier represents to GovMVMT that the pricing in the scope of products offered under the Master Agreement is equal or better than any other pricing options it offers to public agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.
- (ii) Contracts Offering Lower Prices. If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.
 - A. Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.
 - B. Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.
 - C. Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing

under the Master Agreement and make it available only to the individual Public Agency.

- (iii) Deviating Buying Patterns. Occasionally GovMVMT and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the pricing under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

- (iv) Supplier's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVMT to encourage Public Agencies to piggyback onto the Master Agreement rather than issue their own procurement solicitations, GovMVMT recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:
 - A. Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation process.
 - B. Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.
 - C. If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
 - D. Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 2, including without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.
 - E. Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may

offer the pricing under the Master Agreement as an alternative consideration.

- 2.3 Differentiator Commitment.** Supplier shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Supplier can accomplish this by highlighting such facts as:

- A. Lead Public Agency process
- B. Non-profit structure
- C. Public Benefit Programs
- D. Value Commitments
- E. Advisory Council Oversight
- F. Dedicated Field Team

Supplier agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the Participating Public Agencies.

- 2.4 Sales and Marketing Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's best overall value to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

- (i) Supplier Sales. Supplier shall be responsible for proactive sales of Suppliers Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the GovMVMT logo. GovMVMT hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for the purposes of reproducing and using Supplier's name and log in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist GovMVMT by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's initiative shall communicate that (i)

the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

- (ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the GovMVMT branding and logo standards and guidelines. Prior to use by Supplier, all GovMVMT related marketing material must be submitted to GovMVMT for review and approval.
- (iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and GovMVMT program. GovMVMT shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.
- (iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:
 - A. A dedicated GovMVMT internet web-based home page that is accessible from Supplier's home page or main menu navigation containing:
 - 1) GovMVMT standard logo with Founding Sponsor logos;
 - 2) Copy of original procurement solicitation, including all addenda;
 - 3) Copy of Master Agreement including all amendments;
 - 4) Summary of Products and Services pricing;
 - 5) Electronic link to GovMVMT's online registration page;
 - 6) Other promotional material as requested by GovMVMT;
 - 7) A dedicated toll-free national hotline for inquiries regarding GovMVMT; and
 - 8) A dedicated email address for general inquiries in the following format: GovMVMT@(suppliername).com.
- (v) Electronic Registration: Supplier shall be responsible for ensuring that each Public Agency has completed GovMVMT's online registration process prior to processing the Public Agency's first sales order.
- (vi) Supplier's Performance Review: Upon request by GovMVMT, Supplier shall participate in a performance review meeting with GovMVMT to evaluate Supplier's performance of the covenants set forth in this Agreement.
- (vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to GovMVMT (collectively "Supplier Content") for use on GovMVMT websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to GovMVMT and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display,

and use Supplier Content in connection with GovMVMT websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. ARTICLE III

REPRESENTATIONS AND COVENANTS

3.1 GovMVMT views the relationship with Supplier as an opportunity to provide benefits to the Lead Public Agency, Participating Public Agencies and the Supplier. The successful foundation of the relationship requires certain representations and covenants from both GovMVMT and Supplier.

3.2 GovMVMT Representations and Covenants.

(a) Marketing. GovMVMT shall proactively market the Master Agreement to Public Agencies using resources such as a network of sponsors or sponsorships including the Advisory Council which is comprised of procurement professionals from around the country. In addition, the GovMVMT staff shall make best efforts to enhance Supplier's marketing efforts through meetings with Public Agencies, participation in key events and tradeshow and other marketing activity such as advertising, articles and promotional campaigns.

(b) Training and Knowledge Management Support. GovMVMT shall provide support for the education, training and engagement of Supplier's sales force as provided herein. Through its staff (each, a "Program Manager" and collectively, the "Program Managers"), GovMVMT shall, with scheduling assistance from Supplier, conduct training sessions and conduct calls jointly with Supplier to Public Agencies. GovMVMT shall also provide Supplier with access to GovMVMT's private intranet website which provides presentations, documents and information to assist Supplier's sales force in effectively promoting the Master Agreement.

3.3 Supplier's Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as "Supplier's Commitments" and are comprised of the Executive Commitment, Value Commitment, Differentiator Commitment and Sales and Marketing Commitment):

(a) **Executive Commitment**

(i) A true partnership: Supplier shall have full commitment of the Master Agreement from the highest executive level of the organization at any given time. This includes being supported by the supplier's senior executive management.

(ii) The pricing, terms and conditions of the Master Agreement shall be the Supplier's preferred contractual offering of Products and Services to all eligible Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's preferred offering and not just one of Supplier's contract options.

(iii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iv) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(v) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMT concerning new Participating Public Agency registrations and for

ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's GovMVMТ program and linked to GovMVMТ' website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the GovMVMТ program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall offer the Master Agreement to all Public Agencies located within the state.

(b) **Value Commitment**

(i) Supplier represents to GovMVMТ that the overall pricing in the scope of products and services offered under the Master Agreement is equal to or better than any other pricing options it offers to public agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally GovMVMТ and Supplier may interact

with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVMT to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, GovMVMT recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

c) Differentiator Commitment. Supplier shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Supplier can accomplish this by highlighting such facts as:

- Lead Public Agency process
- Non-profit structure
- Public Benefit Programs
- Value Commitments

- Advisory Council Oversight
- Dedicated Field Team

Supplier agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the participating Public Agencies.

(d) **Sales and Marketing Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to properly position the value of the Master Agreement as Supplier's preferred contract for Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. Supplier's sales materials targeted towards Public Agencies should include the GovMVMT logo. GovMVMT hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist GovMVMT by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides pricing equal to or better than the Supplier's best available pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) **Branding and Logo Compliance.** Supplier shall be responsible for complying with the GovMVMT branding and logo standards and guidelines. Prior to use by Supplier, all GovMVMT related marketing material must be submitted to GovMVMT for review and approval.

(iii) **Sales Force Training.** Supplier shall train its national sales force on the Master Agreement and GovMVMT program. GovMVMT shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated GovMVMT internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) GovMVMT standard logo;
- (2) Copy of original procurement solicitation and all addenda;
- (3) Copy of Master Agreement including all amendments.
- (4) Summary of Products and Services pricing.
- (5) Electronic link to GovMVMT' online registration page;
- (6) Other promotional material as requested by GovMVMT.
- (7) A dedicated toll-free national hotline for inquiries regarding GovMVMT.
- (8) A dedicated email address for general inquiries in the following format: GovMVMT@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed GovMVMT's online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by GovMVMT, Supplier shall participate in a performance review meeting with GovMVMT to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to GovMVMT (collectively "Supplier Content") for use on GovMVMT websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to GovMVMT and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display, and use Supplier Content in connection with GovMVMT websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to GovMVMT as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between GovMVMT and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-

compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend GovMVMT, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV **PRICING AUDITS**

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. GovMVMT and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. GovMVMT shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at GovMVMT's sole cost and expense. Notwithstanding the foregoing, in the event that GovMVMT is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, GovMVMT shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. GovMVMT may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V **FEES & REPORTING**

5.1 Administrative Fees. Supplier shall pay to GovMVMT a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of one and three-quarter percent (1.75% or lower according to the volume tiers below) of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees"). GovMVMT was founded on the principle of large volumes of purchases resulting in aggressive discounts and a great resulting value for those purchasing entities. We believe in additional value and increased savings that result from growth in the program and larger spend volume. This value should exist for the public agency and the supplier, and thus an incentivized tier structure has been developed to assure that these savings are passed along to the agencies and suppliers

in the program. Tiered Administrative fees are outlined below based on Suppliers Annual sales volume. Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to GovMVMT, or its designee or trustee as may be directed in writing by GovMVMT.

Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. GovMVMT agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

Administrative Fee Tiers*

Annual Contract Spend Low	Annual Contract Spend High	Administrative Fee
\$0	\$15,000,000	1.75%
\$15,000,001	\$25,000,000	1.5%

EXHIBIT F FEDERAL FUNDS CONTRACT PROVISIONS

Participating Public Agencies may choose to utilize federal funds to purchase under the Master Agreement. This Exhibit includes language that meets the requirements of Appendix II to the Federal Uniform Guidance. **Complete this Exhibit F and submit as part of your response.**

DEFINITIONS

Contract: A legal instrument by which a Federal funding award recipient or subrecipient purchases property or services needed to carry out the project or program under a federal award. A contract, for the purposes of this Exhibit, does not mean a federal award or subaward. The term “Contract” is interchangeable with the term “Master Agreement.”

Contractor: Contractor means an entity that receives a contract. The term “Contractor” is interchangeable with the term “Supplier.”

Cooperative agreement: A legal instrument of financial assistance between a federal awarding agency or pass-through entity and a non-Federal entity, that is consistent with 31 U.S.C. 6302-6305.

Federal awarding agency: The federal agency that provides a federal award directly to a non-Federal entity (NFE).

Federal award: The financial assistance that an NFE receives either directly from a federal awarding agency or indirectly from a pass-through entity. In this Exhibit, the term is used interchangeable with “Federal awarding agency”, “grant”, and “financial assistance.”

Non-Federal Entity (NFE): A state, local government, Indian Tribe, Institution of Higher Education, or eligible private nonprofit organization that carries out a federal award as a recipient or subrecipient.

Recipient: An NFE that receives a federal award directly from a federal awarding agency to carry out an activity under a federal program. The term recipient does not include subrecipients. A recipient is responsible for administering the federal award in accordance with applicable federal laws. Examples of recipients include state, local governments, Indian tribe, or territorial governments.

Pass-through entity: A recipient that provides a subaward to a subrecipient to carry out part of a federal program is known as the pass-through entity. Pass-through entities are responsible for processing subawards to subrecipients and ensuring subrecipient compliance with the terms and conditions of the Federal funding award agreement.

Simplified Acquisition Threshold (SAT): Simplified acquisition threshold means the dollar amount below which an NFE may purchase property or services using small purchase methods. NFEs adopt small purchase procedures to expedite the purchase of items costing less than the simplified acquisition threshold. The federal SAT is set by the FAR at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of June 2018, the federal SAT is \$250,000 but is periodically adjusted for inflation.

EXHIBIT F
FEDERAL FUNDS CONTRACT PROVISIONS

Subaward: An award provided by a pass-through entity to a subrecipient for the subrecipient to carry out a part of federal award received by the pass-through entity. It does not include payments to a Contractor or payments to an individual that is a beneficiary of a federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a Contract.

Subrecipient: An NFE that receives a subaward from a pass-through entity to carry out part of a federal program but does not include an individual that is a beneficiary of such program.

Uniform Guidance: The series of regulations found at 2 CFR Part 200 that establishes Uniform Administrative Requirements, Cost Principles, and Audit Requirements for federal awards to NFEs. The Uniform Rules are referred to by several names throughout this Exhibit. Some of the names include standards, requirements, rules, and regulations.

The NFE must report all suspected or reported violations of the Copeland "Anti-Kickback" Act the Federal awarding agency. The contractor shall comply with 18 U.S.C § 874,40 U.S.C § 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this contract. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the Federal funding agreement instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 CFR § 5.12.

Pursuant to Federal Rule, 5, Copeland "Anti-Kickback" Act, when a Participating Public Agency spends federal funds during the term of the award for all contracts and subcontracts for construction and repair, Supplier will be in compliance with all applicable Copeland "Anti-Kickback" Act provisions.

Work over 40 hours is allowed, so long as the worker is paid at least one and a half times the base pay rate for all hours worked over 40 hours in the work week. Additionally, for construction work, under 40 U.S.C. § 3704, work surroundings and conditions for laborers and mechanics must not be unsanitary or unsafe. The regulation at 37 CFR § 401.2(a) defines funding agreement as “any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. C.271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a “fair and open” process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
 - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the “County PCD Forms” link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12>. They will be updated from time-to-time as necessary.
 - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
 - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
 - d. The form may be used “as-is”, subject to edits as described herein.
 - e. The “Contractor Instructions” sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

EXHIBIT H
ATTACHMENT 4

- f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a “Stockholder Disclosure Certification.” This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

**C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM
Contractor Instructions**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a “fair and open” process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - of the public entity awarding the contract
 - of that county in which that public entity is located
 - of another public entity within that county
 - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an “interest” ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, “a contribution by that person’s spouse or child, residing therewith, shall be deemed to be a contribution by the business entity.” [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor’s responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

EXHIBIT H

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."
