**EXHIBIT B  
SUPPLIER RESPONSE**

7. Identify all other companies that will be involved in the processing, handling or shipping of the Products and Services to the end user.
8. Describe how Participating Public Agencies are ensured they will receive the Master Agreement pricing with your company's distribution channels, such as direct ordering, retail or in-store locations, distributors, etc. Describe how Participating Public Agencies verify and audit pricing to ensure its compliance with the Master Agreement.
9. Provide the number, size and location of your company's distribution facilities, warehouses and retail network, as applicable.
10. Describe your ability to provide customized reports (i.e. commodity histories, purchase histories by department, etc.) for each Participating Public Agency.
11. Describe your company's ecommerce capabilities:
  - a. Include details about your company's ability to create punch out sites and accept orders electronically.
  - b. Provide detail on your company's ability to integrate with a Public Agency's ERP/purchasing system (Oracle, SAP, Jaggaer, etc.). Please include some details about the resources you have in place to support these integrations.

**D. Sales and Marketing**

1. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as Supplier's preferred go-to market strategy for Public Agencies to Supplier's teams nationwide, including, but not limited to:
  - a. Executive leadership endorsement and sponsorship of the award as the Supplier's go-to-market strategy within the first 10 days.
  - b. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the GovMVMT team within the first 90 days.
2. Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, including, but not limited to:
  - a. Creation and distribution of a co-branded press release to trade publications.
  - b. Announcement, Master Agreement details and contact information published on the Provider's website within the first 90 days.

**EXHIBIT B  
SUPPLIER RESPONSE**

- c. Commitment to attendance and participation with GovMVMT at national (i.e. NIGP Annual Forum, etc.), regional (i.e. Regional NIGP Chapter meetings, Regional Summits, etc.) and provider-specific trade shows, conferences and meetings throughout the term of the Master Agreement.
  - d. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by GovMVMT for partner providers. Booth space will be purchased and staffed by Supplier.
  - e. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement.
  - f. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)
  - g. Dedicated GovMVMT internet web-based homepage on Supplier's website with:
    - GovMVMT Partners standard logo;
    - Copy of original Request for Proposal, including all addenda;
    - Copy of Master Agreement all amendments between Lead Public Agency and Supplier;
    - Marketing Materials;
    - Electronic link to GovMVMT website including the online registration page;
    - A dedicated toll-free number and email address for GovMVMT.
3. Describe how Provider will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through GovMVMT. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.
  4. Acknowledge Supplier agrees to provide its logo(s) to GovMVMT and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of GovMVMT logo will require permission for reproduction as well.
  5. Confirm Supplier will be proactive in direct sales of Supplier's Products and Services to Public Agencies nationwide and the timely follow up to leads established by GovMVMT. All sales materials are to use the GovMVMT logo. At a minimum, the Supplier's sales initiatives should communicate:
    - a. Master Agreement was competitively solicited and publicly awarded by a Lead Public Agency
    - b. Pricing Equal to or better than Supplier's Best available government pricing
    - c. No cost to participate
    - d. Non-exclusive

**EXHIBIT B**  
**SUPPLIER RESPONSE**

6. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
  - a. Key features of Master Agreement
  - b. Working knowledge of the solicitation process
  - c. Awareness of the range of Public Agencies that can utilize the Master Agreement through GovMVMТ
  - d. Knowledge of benefits of the use of cooperative contracts
  
7. Provide the name, title, email and phone number for the person(s) who will be responsible for:
  - a. Executive Support
  - b. Sales
  - c. Sales Support
  - d. Marketing
  - e. Financial Reporting
  - f. Accounts Payable
  - g. Contracts
  
8. Describe how Supplier's national sales force is structured, including contact information for the highest level executive responsible for the sales team.
  
9. Explain how your company's sales team will work with the GovMVMТ team to implement, grow and service the national program.
  
10. Explain how your company will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.
  
11. While it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement. Describe your company's strategies under these options when responding to a solicitation.
  - a. Respond with Master Agreement pricing (Contract Sales reported to GovMVMТ).
  
  - b. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the Contract, the sales are reported as contract sales to GovMVMТ under the Master Agreement.
  
  - c. Respond with pricing higher than Master Agreement online in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract sales are not reported to GovMVMТ).

**EXHIBIT B  
SUPPLIER RESPONSE**

d. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

12. Describe your company's sales goals for this Contract if awarded the Master Agreement, including targeted dollar volume by year:

\$ \_\_\_\_\_ .00 in year one

\$ \_\_\_\_\_ .00 in year two

\$ \_\_\_\_\_ .00 in year three

**E. Additional Information**

1. Please use this opportunity to describe any other offerings your organization can provide that you feel will provide additional value and benefit to a Participating Public Agency.

## **GovMVMT ADMINISTRATION AGREEMENT**

The following GovMVMT Administrative Agreement is an Exhibit to and is incorporated into the Contract to provide [Insert Contract Name] (the "Contract") between (Insert Lead Public Agency) and (Insert Supplier Name). The Agreement outlines the Suppliers general duties and responsibilities in implementing the GovMVMT contract.

**The Supplier is required to execute the GovMVMT Administration Agreement (attached here to as Exhibit C) and submit with Supplier's proposal. Failure to do so may result in disqualification.**

**EXHIBIT C  
ADMINISTRATION AGREEMENT**

This ADMINISTRATION AGREEMENT ("Agreement") is made as of (Insert Date), by and between GovMVM T ("GovMVM T Purchasing Cooperative") and ("Supplier").

**RECITALS**

WHEREAS, the ("Lead Public Agency") has entered into a certain Master Agreement dated as of (enter date), referenced as Agreement (No.#), by and between Lead Public Agency and Supplier (as amended from time to time in accordance with the terms thereof, the "Master Agreement") for the purchase of (the "Products and Services");

WHEREAS, the Master Agreement provides that any state, county, city, special district, local government, school district, private K-12 school, technical or vocational school, higher education institution (including community colleges, colleges and universities, both public and private), other government agency or nonprofit organization (each a "Public Agency" and collectively, "Public Agencies") may purchase Products and Services at the prices indicated in the Master Agreement upon prior registration with GovMVM T, in which case the Public Agency becomes a "Participating Public Agency";

WHEREAS, GovMVM T has the administrative and legal capacity to administer purchases under the Master Agreement to Participating Public Agencies;

WHEREAS, GovMVM T serves in an administrative capacity for the Lead Public Agency and other lead public agencies in connection with other master agreements offered by GovMVM T;

WHEREAS, Lead Public Agency desires GovMVM T to proceed with administration of the Master Agreement on the same basis as other master agreements;

WHEREAS, "GovMVM T Purchasing Cooperative" is a trade name licensed by IGSA

WHEREAS, GovMVM T and Supplier desire to enter into this Agreement to make available the Master Agreement to Participating Public Agencies.

NOW, THEREFORE, in consideration of the mutual covenants contained in this Agreement, GovMVM T and Supplier hereby agree as follows:

**ARTICLE I  
GENERAL TERMS AND CONDITIONS**

1.1 The Master Agreement, attached hereto as Exhibit A and incorporated herein by reference as though fully set forth herein, and the terms and conditions contained therein shall apply to this Agreement except as expressly changed or modified by this Agreement.

1.2 GovMVMT shall be afforded all of the rights, privileges and indemnifications afforded to Lead Public Agency under the Master Agreement, and such rights, privileges and indemnifications shall accrue and apply with equal effect to GovMVMT under this Agreement including, without limitation, Supplier's obligation to provide insurance and indemnifications to Lead Public Agency.

1.3 Supplier shall perform all duties, responsibilities and obligations required under the Master Agreement.

1.4 GovMVMT shall perform all of its duties, responsibilities and obligations as administrator of purchases under the Master Agreement as set forth herein, and Supplier acknowledges that GovMVMT shall act in the capacity of administrator of purchases under the Master Agreement.

1.5 With respect to any purchases made by Lead Public Agency or any Participating Public Agency pursuant to the Master Agreement, GovMVMT (a) shall not be construed as a dealer, re- marketer, representative, partner, or agent of any type of Supplier, Lead Public Agency or such Participating Public Agency, (b) shall not be obligated, liable or responsible (i) for any orders made by Lead Public Agency, any Participating Public Agency or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement, or (ii) for any payments required to be made with respect to such order, and (c) shall not be obligated, liable or responsible for any failure by a Participating Public Agency to (i) comply with procedures or requirements of applicable law or ordinance, or (ii) obtain the due authorization and approval necessary to purchase under the Master Agreement. GovMVMT makes no representations or warranties with respect to any minimum purchases required to be made by Lead Public Agency, any Participating Public Agency, or any employee of Lead Public Agency or a Participating Public Agency under the Master Agreement.

## **ARTICLE II**

### **TERM OF AGREEMENT**

2.1 This Agreement is effective as of (Insert Date) and shall terminate upon termination of the Master Agreement or any earlier termination in accordance with the terms of this Agreement, provided, however, that the obligation to pay all amounts owed by Supplier to GovMVMT through the termination of this Agreement and all indemnifications afforded by Supplier to GovMVMT shall survive the term of this Agreement.

## **ARTICLE III**

### **REPRESENTATIONS AND COVENANTS**

3.1 GovMVMT views the relationship with Supplier as an opportunity to provide benefits to the Lead Public Agency, Participating Public Agencies and the Supplier. The successful foundation of the relationship requires certain representations and covenants from both GovMVMT and Supplier.

3.2 GovMVMT Representations and Covenants.

(a) Marketing. GovMVMT shall proactively market the Master Agreement to Public Agencies using resources such as a network of sponsors or sponsorships including the Advisory Council which is comprised of procurement professionals from around the country. In addition, the GovMVMT staff shall make best efforts to enhance Supplier's marketing efforts through meetings with Public Agencies, participation in key events and tradeshow and other marketing activity such as advertising, articles and promotional campaigns.

(b) Training and Knowledge Management Support. GovMVMT shall provide support for the education, training and engagement of Supplier's sales force as provided herein. Through its staff (each, a "Program Manager" and collectively, the "Program Managers"), GovMVMT shall, with scheduling assistance from Supplier, conduct training sessions and conduct calls jointly with Supplier to Public Agencies. GovMVMT shall also provide Supplier with access to GovMVMT' private intranet website which provides presentations, documents and information to assist Supplier's sales force in effectively promoting the Master Agreement.

3.3 Supplier's Representations and Covenants. Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as "Supplier's Commitments" and are comprised of the Executive Commitment, Value Commitment, Differentiator Commitment and Sales and Marketing Commitment):

(a) **Executive Commitment**

(i) A true partnership: Supplier shall have full commitment of the Master Agreement from the highest executive level of the organization at any given time. This includes being supported by the supplier's senior executive management.

(ii) The pricing, terms and conditions of the Master Agreement shall be the Supplier's preferred contractual offering of Products and Services to all eligible Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's preferred offering and not just one of Supplier's contract options.

(iii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors, and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iv) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(v) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from GovMVMT concerning new Participating Public Agency registrations and for

ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's GovMVMT program and linked to GovMVMT' website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the GovMVMT program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall offer the Master Agreement to all Public Agencies located within the state.

(b) **Value Commitment**

(i) Supplier represents to GovMVMT that the overall pricing in the scope of products and services offered under the Master Agreement is equal to or better than any other pricing options it offers to public agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) **Deviating Buying Patterns.** Occasionally GovMVMT and Supplier may interact

with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third-Party Procurement Solicitation. While it is the objective of GovMVMT to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, GovMVMT recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

c) Differentiator Commitment. Supplier shall demonstrate the value, competitive scope, and differentiating factors of the agreement against alternative procurement options in the marketplace at every opportunity. The success of this program lies directly with properly positioning this contract vehicle as the premier cooperative purchasing option for public agencies.

Supplier can accomplish this by highlighting such facts as:

- Lead Public Agency process
- Non-profit structure
- Public Benefit Programs
- Value Commitments

- Advisory Council Oversight
- Dedicated Field Team

Supplier agrees that while this agreement brings significant value to Public Agencies, it is not an exclusive agreement and can be utilized at the discretion of the participating Public Agencies.

(d) **Sales and Marketing Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to properly position the value of the Master Agreement as Supplier's preferred contract for Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by GovMVMT. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. Supplier's sales materials targeted towards Public Agencies should include the GovMVMT logo. GovMVMT hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the GovMVMT name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the GovMVMT name, trademark, or logo shall inure to the benefit of GovMVMT. GovMVMT shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide GovMVMT with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist GovMVMT by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides pricing equal to or better than the Supplier's best available pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) **Branding and Logo Compliance.** Supplier shall be responsible for complying with the GovMVMT branding and logo standards and guidelines. Prior to use by Supplier, all GovMVMT related marketing material must be submitted to GovMVMT for review and approval.

(iii) **Sales Force Training.** Supplier shall train its national sales force on the Master Agreement and GovMVMT program. GovMVMT shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated GovMVMT internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) GovMVMT standard logo;
- (2) Copy of original procurement solicitation and all addenda;
- (3) Copy of Master Agreement including all amendments.
- (4) Summary of Products and Services pricing.
- (5) Electronic link to GovMVMT' online registration page;
- (6) Other promotional material as requested by GovMVMT.
- (7) A dedicated toll-free national hotline for inquiries regarding GovMVMT.
- (8) A dedicated email address for general inquiries in the following format: GovMVMT@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed GovMVMT's online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by GovMVMT, Supplier shall participate in a performance review meeting with GovMVMT to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to GovMVMT (collectively "Supplier Content") for use on GovMVMT websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to GovMVMT and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publicly perform, publicly display, and use Supplier Content in connection with GovMVMT websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to GovMVMT as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between GovMVMT and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-

compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend GovMVMT, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

#### **ARTICLE IV** **PRICING AUDITS**

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency and Participating Public Agencies under the Master Agreement. GovMVMT and Lead Public Agency each reserve the right to audit the accounting for a period of three (3) years from the time such purchases are made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. GovMVMT shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at GovMVMT's sole cost and expense. Notwithstanding the foregoing, in the event that GovMVMT is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, GovMVMT shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. GovMVMT may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

#### **ARTICLE V** **FEES & REPORTING**

5.1 Administrative Fees. Supplier shall pay to GovMVMT a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of one and three-quarter percent (1.75% or lower according to the volume tiers below) of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees"). GovMVMT was founded on the principle of large volumes of purchases resulting in aggressive discounts and a great resulting value for those purchasing entities. We believe in additional value and increased savings that result from growth in the program and larger spend volume. This value should exist for the public agency and the supplier, and thus an incentivized tier structure has been developed to assure that these savings are passed along to the agencies and suppliers

in the program. Tiered Administrative fees are outlined below based on Suppliers Annual sales volume. Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to GovMVMT, or its designee or trustee as may be directed in writing by GovMVMT.

Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. GovMVMT agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

Administrative Fee Tiers\*

Annual Contract Spend Low	Annual Contract Spend High	Administrative Fee
\$0	\$15,000,000	1.75%
\$15,000,001	\$25,000,000	1.5%
\$25,000,001	\$75,000,000	1.25%
\$75,000,001	> \$75,000,001	1.00%

\*Tiered administrative fee structure is based on annual reported sales volume. Sales volume is calculated from January 1<sup>st</sup> – December 31<sup>st</sup> of the current calendar year. When a tier level is met, supplier will be moved to subsequent fee percentage on the next reported monthly report.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to GovMVMT an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("Sales Report"). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by GovMVMT against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. GovMVMT reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its future potential program sponsors and state associations.

5.3 Exception Reporting/Sales Reports Audits. GovMVMT or its designee may, at its sole discretion, compare Supplier's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, future potential sponsors, advisory council members or GovMVMT staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by GovMVMT, GovMVMT shall notify Supplier in writing and Supplier shall

have thirty (30) days from the date of such notice to resolve the discrepancy to GovMVMT's reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to GovMVMT's trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to GovMVMT in writing to reporting@govmvt.org. If Supplier does not resolve the discrepancy to GovMVMT's reasonable satisfaction within thirty (30) days, GovMVMT shall have the right to engage outside services to conduct an independent audit of Supplier's reports. Supplier shall solely be responsible for the cost of the audit.

5.4 Online Reporting. Within forty-five (45) days of the end of each calendar month, GovMVMT shall provide online reporting to Supplier containing Supplier's sales reporting for such calendar month. Supplier shall have access to various reports through the GovMVMT intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage their Master Agreement.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to GovMVMT an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) GovMVMT Price
- (i) Number of times ordered
- (ii) Units sold
- (ix) Sales by Manufacturer

5.6 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at GovMVMT's sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

## ARTICLE VI

### MISCELLANEOUS

6.1 Entire Agreement. This Agreement supersedes any and all other agreements, either oral or in writing, between the parties hereto with respect to the subject matter hereof, and no other agreement, statement, or promise relating to the subject matter of this Agreement which is not contained herein shall be valid or binding.

## 6.2 Assignment.

(a) Supplier. Neither this Agreement nor any rights or obligations hereunder shall be assignable by Supplier without prior written consent of GovMVMT, and any assignment without such consent shall be void.

(b) GovMVMT. This Agreement and any rights or obligations hereunder may be assigned by GovMVMT in GovMVMT's sole discretion, to an existing or newly established legal entity that has the authority and capacity to perform GovMVMT's obligations hereunder.

6.3 Notices. All reports, notices or other communications given hereunder shall be delivered by first-class mail, postage prepaid, or overnight delivery requiring signature on receipt to the addresses as set forth below. GovMVMT may, by written notice delivered to Supplier, designate any different address to which subsequent reports, notices or other communications shall be sent.

Supplier:	Moridge Manufacturing, Inc. _____ P.O. Box 810 _____ Moundridge, KS 67107 _____ Attn: GovMVMT Program Manager

6.4 Severability. If any provision of this Agreement shall be deemed to be, or shall in fact be, illegal, inoperative, or unenforceable, the same shall not affect any other provision or provisions herein contained or render the same invalid, inoperative or unenforceable to any extent whatever.

6.5 Waiver. Any failure of a party to enforce, for any period of time, any of the provisions under this Agreement shall not be construed as a waiver of such provisions or of the right of said party thereafter to enforce each and every provision under this Agreement.

6.6 Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

6.7 Modifications. This Agreement may not be effectively amended, changed, modified, altered or terminated without the prior written consent of the parties hereto.

6.8 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of Delaware, without regard to conflict of law

principles that would result in the application of any law other than the law of the State of Delaware.

6.9 Attorney's Fees. If any action at law or in equity (including, arbitration) is necessary to enforce or interpret the terms of this Agreement, the prevailing party shall be entitled to reasonable attorney's fees, costs, and necessary disbursements in addition to any other relief to which such party may be entitled.

6.10 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon GovMVM, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

**EXHIBIT D**  
**MASTER INTERGOVERNMENTAL COOPERATIVE PURCHASING AGREEMENT**

This Master Intergovernmental Cooperative Purchasing Agreement (“Agreement”) is entered into by and between those certain government agencies that execute a Lead Public Agency Certificate (collectively, “Lead Public Agencies”) to be appended and made a part hereof and other government agencies (“Participating Public Agencies”) who register to participate in the GovMVMT Purchasing Cooperative on the GovMVMT website (<https://www.govmvmt.org/>).

**RECITALS**

**WHEREAS**, after a competitive solicitation and selection process by Lead Public Agencies, in compliance with their own policies, procedures, rules and regulations, a number of suppliers (each, a “Contract Supplier”) have entered into Master Agreements with Lead Public Agencies to provide a variety of goods, products and services to the applicable Lead Public Agency and the Participating Public Agencies;

**WHEREAS**, Master Agreements are made available by Lead Public Agencies through GovMVMT Purchasing Cooperative and provide that Participating Public Agencies may purchase Products and Services at the same terms, conditions and pricing as the Lead Public Agency, subject to any applicable Federal laws, local purchasing ordinances and laws of the State of purchase;

**WHEREAS**, the parties desire to comply with the requirements and formalities of any intergovernmental cooperative act, if applicable, to the laws of the State of purchase;

**WHEREAS**, the parties hereto desire to conserve resources and reduce procurement cost; and

**WHEREAS**, the parties hereto desire to improve the efficiency, effectiveness and economy of the procurement of necessary Products and Services.

**NOW, THEREFORE**, in consideration of the mutual promises contained in this Agreement, and of the mutual benefits to result, the parties agree as follows:

1. Each party will facilitate the cooperative procurement of Products and Services.
2. The procurement of Products and Services subject to this Agreement shall be conducted in accordance with and subject to the relevant statutes, ordinances, rules and regulations, that govern each party’s procurement practices.
3. The cooperative use of Master Agreements obtained by a party to this Agreement shall be in accordance with the terms and conditions of the Master Agreement, except as modification of those terms and conditions is otherwise allowed or required by applicable law.
4. The Lead Public Agencies will make available, upon reasonable request, information regarding the Master Agreement which may assist in improving the procurement of Products and Service by the Participating Public Agencies.
5. The Participating Public Agency will make timely payments to the Contract Supplier for Products and Services received in accordance with the terms and conditions of the procurement. Payment,

inspections and acceptance of Products and Services ordered by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency. Disputes between the Participating Public Agency and Contract Supplier are to be resolved in accordance with the law and venue rules of the State of purchase unless otherwise agreed to by the Participating Public Agency and Contract Supplier.

6. The Participating Public Agency shall not use this Agreement as a method for obtaining additional concessions or reduced prices for similar Products or Services. Master Agreements may be structured with not-to-exceed pricing, in which case the Contract Supplier may offer the Participating Public Agency and the Participating Public Agency may accept lower pricing or additional concessions for purchase of Product and Services through the Master Agreement.
7. The Participating Public Agency shall be responsible for the ordering of Products and Services under this Agreement. The Lead Public Agency or any other party shall not be liable in any manner for any violation by the Participating Public Agency, and, to the extent permitted by applicable law, the Participating Public Agency shall hold the Lead Public Agency and any other party harmless from any liability that may arise from the acts or omissions of the Participating Public Agency.
8. The exercise of any rights or remedies by the Participating Public Agency shall be the exclusive obligation of such Participating Public Agency.
9. This Agreement shall remain in effect until termination by either party giving thirty (30) days' written notice to the other party. The provisions of the Agreement shall survive any such termination.
10. This Agreement shall be effective after execution of the Lead Public Agency Certificate or Participating Public Agency registration on the GovMVMT website, as applicable.

**EXHIBIT E**  
**LEAD PUBLIC AGENCY CERTIFICATE**

In its capacity as a Lead Public Agency for GovMVMT Purchasing Cooperative, \_\_\_\_\_ has read and agrees to the general terms and conditions set forth in the Master Intergovernmental Cooperative Purchasing Agreement ("MICPA") regulating the use of the Master Agreements and purchase of Products and Services that from time to time are made available by Lead Public Agency to Participating Public Agencies nationwide through GovMVMT. Copies of Master Agreements and any amendments thereto made available by Lead Public Agency will be provided to Suppliers and GovMVMT to facilitate use by Participating Public Agencies.

I understand that the purchase of one or more Products and Services under the provisions of MICPA is at the sole and complete discretion of the Participating Public Agency.

## **EXHIBIT F FEDERAL FUNDS CONTRACT PROVISIONS**

Participating Public Agencies may choose to utilize federal funds to purchase under the Master Agreement. This Exhibit includes language that meets the requirements of Appendix JI to the Federal Uniform Guidance. **Complete this Exhibit F and submit as part of your response.**

### **DEFINITIONS**

**Contract:** A legal instrument by which a Federal funding award recipient or subrecipient purchases property or services needed to carry out the project or program under a federal award. A contract, for the purposes of this Exhibit, does not mean a federal award or subaward. The term “Contract” is interchangeable with the term “Master Agreement.”

**Contractor:** Contractor means an entity that receives a contract. The term “Contractor” is interchangeable with the term “Supplier.”

**Cooperative agreement:** A legal instrument of financial assistance between a federal awarding agency or pass-through entity and a non-Federal entity, that is consistent with 31 U.S.C. 6302-6305.

**Federal awarding agency:** The federal agency that provides a federal award directly to a non-Federal entity (NFE).

**Federal award:** The financial assistance that an NFE receives either directly from a federal awarding agency or indirectly from a pass-through entity. In this Exhibit, the term is used interchangeable with “Federal awarding agency”, “grant”, and “financial assistance.”

**Non-Federal Entity (NFE):** A state, local government, Indian Tribe, Institution of Higher Education, or eligible private nonprofit organization that carries out a federal award as a recipient or subrecipient.

**Recipient:** An NFE that receives a federal award directly from a federal awarding agency to carry out an activity under a federal program. The term recipient does not include subrecipients. A recipient is responsible for administering the federal award in accordance with applicable federal laws. Examples of recipients include state, local governments, Indian tribe, or territorial governments.

**Pass-through entity:** A recipient that provides a subaward to a subrecipient to carry out part of a federal program is known as the pass-through entity. Pass-through entities are responsible for processing subawards to subrecipients and ensuring subrecipient compliance with the terms and conditions of the Federal funding award agreement.

**Simplified Acquisition Threshold (SAT):** Simplified acquisition threshold means the dollar amount below which an NFE may purchase property or services using small purchase methods. NFEs adopt small purchase procedures to expedite the purchase of items costing less than the simplified acquisition threshold. The federal SAT is set by the FAR at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of June 2018, the federal SAT is \$250,000 but is periodically adjusted for inflation.

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

**Subaward:** An award provided by a pass-through entity to a subrecipient for the subrecipient to carry out a part of federal award received by the pass-through entity. It does not include payments to a Contractor or payments to an individual that is a beneficiary of a federal program. A subaward may be provided through any form of legal agreement, including an agreement that the pass-through entity considers a Contract.

**Subrecipient:** An NFE that receives a subaward from a pass-through entity to carry out part of a federal program but does not include an individual that is a beneficiary of such program.

**Uniform Guidance:** The series of regulations found at 2 CFR Part 200 that establishes Uniform Administrative Requirements, Cost Principles, and Audit Requirements for federal awards to NFEs. The Uniform Rules are referred to by several names throughout this Exhibit. Some of the names include standards, requirements, rules, and regulations.

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

The following certifications and provisions may be required and apply with a Participating Public Agency spends federal funds for any purchase resulting from this procurement process. Pursuant to 2 CFR § 200.237, all contracts, including small purchases, awarded by the Participating Public Agency and the Participating Public Agency's Contractors and Subcontractors shall contain the procurement provisions of Appendix II to CFR Part 200, as applicable.

**APPENDIX II TO 2 CFR 200**

1. **Remedies.** Contracts for more than the federal simplified acquisition threshold (SAT), the dollar amount below which a Non-Federal Entity ("NFE") may purchase property or services using small purchase methods, currently set at \$250,000 for procurements made on or after June 20, 2018, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and must provide for sanctions and penalties as appropriate.

*Pursuant to this Federal Rule, 1, Remedies, above, when a Participating Public Agency spends federal funds, the Participating Public Agency reserves all rights and privileges under the applicable laws and regulations with respect to this procurement in the event of breach of contract by either party.*

BD \_\_\_\_\_ agrees  
(Initial of Supplier's Authorized Representative)

2. **Termination for Cause and Convenience.** Contracts for cause and for convenience by the grantee or subgrantee, including the manner by which it will be carried out and the basis for settlement. This applies to contracts that are more than \$10,000.

*Pursuant to this Federal Rule, 2, Termination for Cause and Convenience above, when a Participating Public Agency spends federal funds, the Participating Public Agency reserves the right to immediately terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Supplier or for convenience as detailed in the terms of the contract.*

BD \_\_\_\_\_ agrees  
(Initial of Supplier's Authorized Representative)

3. **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" must include the equal opportunity clause found in 2 CFR Part 200.

*Pursuant to this Federal Rule, 3, Equal Employment Opportunity above, when a Participating Public Agency spends federal funds on any federally assisted construction contract, the equal opportunity clause is incorporated by reference herein.*

BD \_\_\_\_\_ agrees  
(Initial of Supplier's Authorized Representative)

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

4. **Davis-Bacon Act.** When required by the federal program legislation, prime construction contracts over \$2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act. In accordance with the statute, contractors must pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in the Secretary of Labor's wage determination. Additionally, contractors are required to pay wages at least once per week. The NFE must place a copy of the Department of Labor's current prevailing wage determination in each solicitation. Contracts or subcontracts must be awarded on the condition that the prevailing wage determination is accepted. The NFE must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act for all contracts subject to the Davis-Bacon Act. According to 29 CFR § 5.5(a)(5), the regulatory requirements for the Copeland "Anti-Kickback" Act are incorporated by reference into the required contract provision, so a separate contract provision is not necessary. The NFE must and hereby includes the provisions at 29 CFR § 5.5(a)(1)-(10) in full into all applicable contracts and all applicable contractors must include their provisions in full in any subcontracts.

*Pursuant to Federal Rule, 4, Davis-Bacon Act above, when a Participating Public Agency spends federal funds during the term of the award for all contracts and subcontracts for construction or repair, Supplier will be in compliance with all applicable Davis-Bacon Act provisions.*

BD \_\_\_\_\_ agrees  
(Initial of Supplier's Authorized Representative)

5. **Copeland "Anti-Kickback" Act.** The Copeland "Anti-Kickback" Act prohibits workers on construction contracts from giving up wages that they are owed. This Act prohibits each contractor and subcontractor from any form of persuading a person employed in construction, completion, or repair of public work to give up any part of their rightful compensation. The NFE must report all suspected or reported violations of the Copeland "Anti-Kickback" Act the Federal awarding agency. The contractor shall comply with 18 U.S.C § 874, 40 U.S.C § 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this contract. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the Federal funding agreement instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with all of these contract clauses. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 CFR § 5.12.

*Pursuant to Federal Rule, 5, Copeland "Anti-Kickback" Act, when a Participating Public Agency spends federal funds during the term of the award for all contracts and subcontracts for construction and repair, Supplier will be in compliance with all applicable Copeland "Anti-Kickback" Act provisions.*

BD \_\_\_\_\_ agrees  
(Initial of Supplier's Authorized Representative)

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

6. **Contract Work Hours and Safety Standards Act.** Where applicable, all contracts awarded by the NFE of more than \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with statutory requirements on work hours and safety standards. Under 40 U.S.C. § 3702, each contractor must base wages for every mechanic and laborer on a standard 40-hour work week. Work over 40 hours is allowed, so long as the worker is paid at least one and a half times the base pay rate for all hours worked over 40 hours in the work week. Additionally, for construction work, under 40 U.S.C. § 3704, work surroundings and conditions for laborers and mechanics must not be unsanitary or unsafe. Relevant definitions are at 40 U.S.C. § 3701 and 29 CFR § 5.2. These requirements do not apply to the purchase of supplies or materials ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

*Pursuant to Federal Rule, 6, Contract Work Hours and Safety Standards Act above, when a Participating Public Agency spends federal funds, Supplier certifies that Supplier will be in compliance with all applicable provisions of the Contract Work Hours and Safety Standards Act during the term of an award for all contracts by Participating Public Agency resulting from this procurement process.*

BD agrees  
*(Initial of Supplier's Authorized Representative)*

7. **Rights to Inventions Made Under a Contract or Agreement.** This contract provision outlines the rules governing the ownership of inventions created using federal funds. If the Federal award meets the definition of funding agreement and the NFE enters into any contract involving substitution of parties, assignment or performance of experimental, developmental or research work under that funding agreement, then the NFE must comply with the requirements of 37 CFR Part 401 and any implementing regulations issued by the Federal awarding agency. The regulation at 37 CFR § 401.2(a) defines funding agreement as "any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, development, or research work under a funding agreement as defined in this paragraph.

*Pursuant to Federal Rule, 7, Rights to Inventions Made Under a Contract or Agreement above, when federal funds are spent by a Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier agrees to comply with all applicable requirements as referenced in this Federal Rule.*

BD agrees  
*(Initial of Supplier's Authorized Representative)*

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

8. **Clean Air Act and Federal Water Pollution Control Act.** For contracts over \$150,000, contractors must agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S. C. § 7401 and the Federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by the Federal awarding agency. Violations must be reported to Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

*Pursuant to Federal Rule, 8, Clean Air Act and Federal Water Pollution Control Act above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier agrees to comply with all applicable requirements as referenced in this Federal Rule.*

BD agrees  
(Initial of Supplier's Authorized Representative)

9. **Debarment and Suspension.** For all contracts and subcontracts (see 2 CFR § 180.220), an award must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM). SAM Exclusions is the list maintained by the General Services Administration that contains the names of parties that are debarred, suspended, or otherwise excluded, or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

*Pursuant to Federal Rule, 9, Debarment and Suspension above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of the award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that none of its principals or its affiliates are debarred, suspended, or otherwise excluded, or ineligible from participation by any federal department or agency. If at any time during the term of the award the Supplier or its principals or affiliates become debarred, suspended, or otherwise excluded, or ineligible by any federal department or agency, the Supplier will notify the Participating Public Agency.*

BD agrees  
(Initial of Supplier's Authorized Representative)

10. **Byrd Anti-Lobbying Amendment.** Contractors that apply or bid for an award of more than \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used federal appropriated funds to pay any person or organization for influencing or attempting to influence an employee of a federal agency, a Member of Congress, an employee of Congress, or an employee of a Member of Congress in connection with receiving any federal contract, grant, or other award covered by 31 U.S.C. § 1352. Each tier must also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier, up to the recipient who in turn will forward the certification(s) to the federal awarding agency.

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

*Pursuant to Federal Rule, 10, Byrd Anti-Lobbying above, when federal funds are expended by Participating Public Agency, the Supplier certifies that during the term and after the awarded term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that it is in compliance with all applicable provisions of the Byrd Anti-Lobbying Amendment. The undersigned further certifies:*

*No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.*

*If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.*

*The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) exceeding \$100,000 and that all subrecipients shall certify and disclose accordingly.*

BD agrees  
(Initial of Supplier's Authorized Representative)

11. **Procurement of Recovered Materials.** Contractors must comply with Section 6002 of the Solid Waste Disposal Act when the purchase price is greater than \$10,000. In the performance of this contract, Contractor shall make maximum use of products containing recovered material that are EPA-designated items unless the product cannot be acquired (i) competitively within a timeframe providing for compliance with the contract performance schedule; (ii) meeting contract performance requirements; or (iii) at a reasonable price. Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage: <https://www.epa.gov/smm/comprehensive-procurement-guidelining-cpg-program>. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

*Pursuant to Federal Rule, 11, Procurement of Recovered Materials above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies it will be in compliance with Section 6002 of the Solid Waste Disposal Act.*

BD agrees  
(Initial of Supplier's Authorized Representative)

**EXHIBIT F**  
**FEDERAL FUNDS CONTRACT PROVISIONS**

12. **Domestic Preferences for Procurements.** As appropriate, and to the extent consistent with law, the Contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products. For the purposes of this clause, produced in the United States means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. Manufactured products mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

*Pursuant to Federal Rule, 13, Domestic Preferences for Procurements above, when federal funds are spent by Participating Public Agency, the Supplier certifies that during the term of an award for all contracts by Participating Public Agency resulting from this procurement process, the Supplier certifies that it will comply with this Domestic Preference for Procurements.*

BD \_\_\_\_\_ agrees  
(Initial of Supplier's Authorized Representative)

**Supplier agrees to comply with all federal, state, and local laws, rules, regulations and ordinances, as applicable. It is further acknowledged that Supplier certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.**

**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

Awarded Suppliers may need to respond to work that is being funded in whole or in part with emergency assistance provided by FEMA. Emergency assistance may be due to situations including, but not limited to, water damage, fire damage, biohazard cleanup, sewage decontamination, vandalism cleanup, deodorization, and/or wind damage during a disaster or an emergency.

If any purchase made under the Master Agreement is funded in whole or in part by Federal Emergency Management Agency ("FEMA") grants, Supplier agrees to execute work in compliance with all federal laws and regulations applicable to the receipt of FEMA grants, including, but not limited to all FEMA requirements as set forth below when products and services are issued in response to an emergency or for disaster recovery. Supplier also agrees to the requirements in the Federal Funds Contract Provisions above.

### **Definitions**

**Federal Emergency Management Agency (FEMA):** FEMA's statutory mission is to reduce the loss of life and property and protect the Nation from all hazards, including natural disasters, acts of terrorism, and other man-made disasters, by leading and supporting the Nation in a risk-based, comprehensive emergency management system of preparedness, protection, response, recovery, and mitigation. Among other things;

- FEMA administers its programs and carries out its activities through its headquarters offices in Washington, D.C.; ten Regional Offices, Area Offices for the Pacific, Caribbean, and Alaska; various Recovery Offices; and temporary Joint Field Offices (JFO).
- FEMA administers numerous assistance programs annually for on a regular basis to increase the Nation's preparedness, readiness and resilience to all hazards. These assistance programs are typically available to NFEs including, but not limited to, states, local governments, Indian Tribes, universities, hospitals, and certain private nonprofit organizations.
- Each program is governed by the applicable federal law, regulations, executive orders and FEMA program-specific policies. As the Federal awarding agency for these programs, FEMA is responsible for the proper management and administration of these programs as otherwise required by law and enforcing the terms of the agreements it enters with NFEs that receive FEMA financial assistance, consistent with the requirements at 2 CFR Part 200.

### **2 CFR § 200.237 and 2 CFR Part 200, Appendix II, Required Contract Clauses**

#### **1. Remedies**

In the event a Participating Public Agency uses FEMA funds for more than the federal simplified acquisition threshold (SAT), currently set at \$250,000 for procurements made on or after June 20, 2018, Participating Public Agency will address the administrative, contractual, and legal remedies with contractors in instances where contractors violate or breach contract terms, and must provide sanctions and penalties as appropriate.

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

For FEMA's Assistance to Firefighters Grant (AFG) program, the Contract shall include a clause addressing that non-delivery by the Contract's specified date or other vendor nonperformance will require a penalty of no less than \$100 per day until such time that the vehicle, compliant with the terms of the Contract, has been accepted by the recipient. This penalty clause does not apply for force majeure or acts of God.

2. Termination for Cause and Convenience

When FEMA funds are used, Participating Public Agency reserves the right to terminate any agreement in excess of \$10,000 resulting from this procurement process in the event of a breach or default of the agreement by Contractor or for convenience.

The right to terminate this Contract for convenience of the Participating Public Agency is retained by the Participating Public Agency. In the event of a termination for convenience by the Participating Public Agency, the Participating Public Agency shall, at least ten (10) calendar days in advance, deliver written notice of the termination for convenience to the Contractor. Upon Contractor's receipt of such written notice, Contractor immediately shall cease the performance of the Work and shall take reasonable and appropriate action to secure and protect the Work then in place. Contractor shall then be paid by the Participating Public Agency, in accordance with the terms and provisions of the Contract Documents, an amount not to exceed the actual labor costs incurred, the actual cost of all materials installed and the actual cost of all materials stored at the project site or away from the project site, as approved in writing by the Participating Public Agency but not yet paid for and which cannot be returned, and actual, reasonable and documented demobilization costs, if any, paid by Contractor and approved by the Participating Public Agency in connection with the Scope of Services in place which is completed as of the date of termination by the Participating Public Agency and that is in conformance with the Contract Documents, less all amounts previously paid for the Work. No amount ever shall be owed or paid to Contractor for lost or anticipated profits on any part of the Scope of Services not performed or for consequential damages of any kind.

3. Equal Employment Opportunity

Contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b).

The Participating Public Agency highly encourages Contractors to implement Affirmative Action practices in their employment programs. This means Contractor should not discriminate against any employee or applicant for employment because of race, color, religion, sex, pregnancy, sexual orientation, political belief or affiliation, age, disability or genetic information.

During the performance of this Contract, the Contractor agrees as follows:

- (1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin.

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

- (2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
- (3) The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
- (4) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other Contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (5) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (6) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation in ascertain compliance with such rules, regulations, and orders.

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

- (7) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (8) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

*Provided*, however, that in the event a Contractor becomes involved in, or is threatened with litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practice when it participates in federal assisted construction work: *Provided*, that if the applicant so participating is a state or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of Contractors and Subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon Contractors and Subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

4. Davis-Bacon Act

The Davis-Bacon Act applies to prime construction contracts over \$2,000 and only applies to the Emergency Management Performance Grant Program, Homeland Security Grant Program, Nonprofit Grant Program, Tribal Homeland Security Grant Program, Port Security Grant Program, Transit Security Grant Program, Intercity Passenger Rail Program, and Rehabilitation of High Hazard Potential Dams Program. **It does not apply to other FEMA grant and cooperative agreement programs, including the PA (Public Assistance) Program.**

All prime construction contracts over \$2,000 awarded by NFEs must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. §§ 3141-3144 and 3146-3148). The Davis-Bacon Act is supplemented by Department of Labor regulations at 29 CFR Part 5 (Labor Standards Provisions Applicable to Contracts Covering federally Financed and Assisted Construction). See 2 CFR Part 200, Appendix II, § D.

Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in the Secretary of Labor's wage determination. Additionally, Contractors are required to pay wages at least once per week.

The NFE must place a copy of the Department of Labor's current prevailing wage determination in each solicitation. The decision to award must be conditioned on the acceptance of the wage determination. The NFE must report all suspected or reported violations to the federal awarding agency.

For any Contract subject to the Davis-Bacon Act, that Contract must also comply with the Copeland "Anti-Kickback" Act. See Section 5 below for additional information.

If applicable per the standard described above, the Participating Public Agency hereby incorporates the provisions at 29 CFR § 5.5(a)(1)-(5) into the Contract and all applicable Contractors must include these provisions in any Subcontracts.

5. Copeland "Anti-Kickback" Act

The Copeland "Anti-Kickback" Act prohibits workers on construction contracts from giving up wages that they are owed.

Applicability: For all prime construction contracts above \$2,000, when the Davis-Bacon Act applies, the Copeland "Anti-Kickback" Act also applies. In situations where the Davis-Bacon

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

Act does not apply, neither does the Copeland "Anti-Kickback" Act. As with the Davis-Bacon Act, this provision only applies to certain FEMA grant and cooperative agreement programs as noted above in section 4. This Act does not apply to the Public Assistance (PA) Program.

**Contractor.** The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 CFR Part 3 as may be applicable, which are incorporated by reference into this Contract.

**Subcontracts.** The Contractor or Subcontractor shall insert in any Subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and also a clause requiring the Subcontractors to include these clauses in any lower tier Subcontracts. The Prime Contractor shall be responsible for the compliance by any Subcontractor or lower tier Subcontractor with all of these Contract clauses.

**Breach.** A breach of the Contract clauses above may be grounds for termination of the Contract, and for debarment as a Contractor and Subcontractor as provided in 29 CFR § 5.12.

6. Contract Work Hours and Safety Standards Act

**Applicability:** This required Contract provision applies to all procurements over \$100,000 that involve the employment of mechanics, laborers, and construction work. These requirements do not apply to the purchase of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

- (1) *Overtime requirements.* No Contractor or Subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- (2) *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (b)(1) of 29 CFR § 5.5(b)(1)-(4) the Contractor and any Subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and Subcontractor shall be liable to the United States (in the case of work done under Contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (b)(1), in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).
- (3) *Withholding for unpaid wages and liquidated damages.* The Participating Public Agency shall upon its own action or upon written request of an authorized representative of the

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the Contractor or Subcontractor under any such Contract or any other federal Contract with the same Prime Contractor, or any other federally-assisted Contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same Prime Contractor, such sums as may be determined to be necessary to satisfy any liabilities of such Contractor or Subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (b)(2).

- (4) *Subcontracts.* The Contractor or Subcontractor shall insert in any Subcontracts the clauses set forth in paragraph (b)(1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier Subcontracts. The Prime Contractor shall be responsible for compliance by any Subcontractor or lower tier Subcontractor with the clauses set forth in paragraphs (b)(1) through (4).

Where contracts that are only subject to Contract Work Hours and Safety Standards Act and are not subject to the other statutes in 29 CFR § 5.1, the below additional compliance is required:

- (1) The Contractor or Subcontractor shall maintain payrolls and basic payroll records during the course of the work and shall preserve them for a period of three years from the completion of the Contract for all laborers and mechanics, including guards and watchmen, working on the Contract. Such records shall contain the name and address of each such employee, social security number, correct classifications, hourly rates of wages paid, daily and weekly number of hours worked, deductions made, and actual wages paid.
- (2) Records to be maintained under this provision shall be made available by the Contractor or Subcontractor for inspection, copying, or transcription by authorized representatives of the Department of Homeland Security, the Federal Emergency Management Agency, and the Department of Labor, and the Contractor or Subcontractor will permit such representatives to interview employees during working hours on the job.

7. Rights to Inventions Made Under a Contract or Agreement

This contract provision outlines the rules governing the ownership of inventions created using federal funds. If the FEMA award meets the definition of funding agreement and the NFE enters into any contract involving substitution of parties, assignment or performance of experimental, developmental, or research work under that funding agreement, then the 37 CFR Part 401 applies.

**This clause is not required for procurements under FEMA's Public Assistance (PA) Program and does not apply to all FEMA grant and cooperative agreement programs.** The NFE will need to check with their applicable FEMA grant representative to determine if this provision is required for the procurement.

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

*Funding Agreements:* The regulation at 37 CFR § 401.2 defines funding agreement as “any contract, grant, or cooperative agreement entered into between any federal agency, other than the Tennessee Valley Authority, and any Contractor for the performance of experimental, developmental, or research work funded in whole or in part by the federal government. This term also includes any assignment, substitution of parties, or subcontract of any type entered into for the performance of experimental, developmental, or research work under a funding agreement as defined in the first sentence of this paragraph.”

8. Clean Air Act and Federal Water Pollution Control Act

This contract provision applies for all procurements over \$150,000.

“Clean Air Act”

The Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.

The Contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn report each violation as required to assure notification to the Federal Emergency Management Agency (FEMA), and the appropriate Environmental Protection Agency Regional Office.

The Contractor agrees to include these requirements in each Subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by FEMA.

“Federal Water Pollution Control Act”

The Contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the federal Water Pollution Control Act, as amended, 33 U.S.C. § 1251 et seq.

The Contractor agrees to report each violation to the Participating Public Agency and understands and agrees that the Participating Public Agency will, in turn, report each violation as required to assure notification to the Participating Public Agency, Federal Emergency Management Association (FEMA), and the appropriate Environmental Protection Agency Regional Office.

The Contractor agrees to include these requirements in each Subcontract exceeding \$150,000 financed in whole or in part with federal assistance provided by FEMA.

9. Debarment and Suspension

Applicability: This clause applies to all FEMA grant and cooperative agreement programs.

This Contract is a covered transaction for purposes of 2 CFR Part 180 and 2 CFR Part 3000. As such, the Contractor is required to verify that none of the Contractor’s principals (defined at 2 CFR § 180.995) or its affiliates (defined at 2 CFR § 180.905) are excluded (defined at 2 CFR § 180.940) or disqualified (defined at 2 CFR § 180.935).

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

The Contractor must comply with 2 CFR Part 180, subpart C and 2 CFR Part 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

This certification is a material representation of fact relied upon by Participating Public Agency. If it is later determined that the Contractor did not comply with 2 CFR Part 180, subpart C and 2 CFR Part 3000, subpart C, in addition to remedies available to Participating

Public Agency, the federal government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 CFR Part 180, subpart C and 2 CFR Part 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring compliance in its lower tier covered transactions.

**10. Byrd Anti-Lobbying Amendment**

Applicability: The Byrd Anti-Lobbying Amendment clause and certification are required for contracts of more than \$100,000, and for subcontracts of more than \$100,000.

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of more than \$100,000 shall file the required certification. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the federal awarding agency.

**APPENDIX A, 44 CFR PART 18 – CERTIFICATION REGARDING LOBBYING**

**Certification for Contracts, Grants, Loans, and Cooperative Agreements**

The undersigned certifies, to the best of her or her knowledge and belief, that:

No federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any federal grant, the making of any federal grant, the making of any federal loan, the entering into of any cooperative

**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.

If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representative of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, Title 31, U.S.C. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, Moridge Manufacturing, Inc., certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C Chap. 38, Administrative Remedies for False Claims and Statements, apply to this certification and disclosure, if any.

11. Procurement of Recovered Materials

Applicability: This provision applies to all procurements over \$10,000 made by a state agency or an agency of a political subdivision of a state and its contractors.

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

In the performance of this Contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired:

- a. Competitively within a timeframe providing for compliance with the contract performance schedule;
- b. Meeting contract performance requirements; or
- c. At a reasonable price.

Information about this requirement, along with the list of EPA-designated items, is available at EPA's Comprehensive Procurement Guidelines webpage:

<https://www.epa.gov/smm/comprehensive-procurement-guidelines-cpg-program>.

The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

12. Prohibition on Contracting for Covered Telecommunications Equipment or Services

Applicability: This provision is required for all awards/purchases issued on or after November 12, 2020.

(a) *Definitions.* As used in this clause, the terms backhaul; covered foreign country; covered telecommunications equipment or services; interconnection arrangements; roaming; substantial or essential component; and telecommunications equipment or services have the meaning as defined in FEMA Policy 405-143-1, Prohibitions on Expending FEMA Award Funds for Covered Telecommunications Equipment or Services (Interim), as used in this clause.

(b) *Prohibitions.*

- (1) Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 CFR § 200.216 prohibit the head of an executive agency on or after Aug. 13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.
- (2) Unless an exception in paragraph (c) of this clause applies, the Contractor and its Subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:
  - (i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
  - (ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

services as a substantial or essential component of any system, or as critical technology of any system;

- (iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
- (iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that used covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

*(c) Exceptions.*

(1) This clause does not prohibit contractors from providing:

- (i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
- (ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.

(2) By necessary implication and regulation, the prohibitions also do not apply to:

- (i) Covered telecommunications equipment or services that:
  - i. Are not used as a substantial or essential component of any system; and
  - ii. Are not used as critical technology of any system.
- (ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

*(d) Reporting Requirements.*

- (1) In the event the Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the Contractor is notified of such by a Subcontractor at any tier or by any other source, the Contractor shall report the information in paragraph (d)(2) of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

(2) The Contractor shall report the following information pursuant to paragraph (d)(1) of this clause:

- (i) Within one business day form the date of such identification or notification: The Contract number, the order number(s), if applicable; supplier name, supplier unique entity identifier (if known); supplier commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; ad any readily available information about mitigation actions undertaken or recommended.
- (ii) Within 10 business days of submitting the information in paragraph (d)(2)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the Contractor shall describe the efforts it undertook to prevent use or submission of covered
- (iii) telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

(e) *Subcontracts*. The Contractor shall insert the substance of this clause, including this paragraph (e), in all subcontracts and other contractual instruments.

13. Domestic Preferences for Procurements

*Applicability*: Applies for purchases in support of FEMA declarations and awards issued on or after November 12, 2020.

As appropriate, and to the extent consistent with the law, the Contractor, should to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.

*For the purposes of this clause:*

*Produced in the United States* means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States.

*Manufactured products* mean items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

14. Access to Records

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

The Contractor agrees to provide Participating Public Agency, the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.

The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.

The Contractor agrees to provide the FEMA Administrator or its authorized representatives access to construction or other work sites pertaining to the work being completed under the Contract.

In compliance with section 1225 of the Disaster Recovery Reform Act of 2018, the Participating Public Agency and the Contractor acknowledge and agree that no language in this Contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

15. Changes

To be allowable under a FEMA grant or cooperative agreement award, the cost of any contract change, modification, amendment, addendum, change order, or constructive change must be necessary, allocable, within the scope of the grant or cooperative agreement, reasonable for the scope of work, and otherwise allowable. See 2 CFR § 200.403.

FEMA recommends that all contracts include a changes clause that describes how, if at all, changes can be made by either party to alter the method, price, or schedule of the work without breaching the Contract. The language of the clause may depend on the nature of the contract and the procured item(s) or service(s). Participating Public Agency should also consult with counsel to determine whether and how contract changes are permissible under applicable state, local, or tribal laws or regulations.

16. DHS Seal, Logo, and Flags

The Contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval. The Contractor shall include this provision in any Subcontracts.

17. Compliance with Federal Law, Regulations, and Executive Orders and Acknowledgement of Federal Funding

This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the Contract. The Contractor will comply with all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

18. No Obligation by Federal Government

**EXHIBIT G**  
**FEMA (FEDERAL EMERGENCY MANAGEMENT AGENCY)**  
**RECOMMENDED CONTRACT PROVISIONS**

The federal government is not a party to this Contract and is not subject to any obligations or liabilities to the NFE, Contractor, or any other party pertaining to any matter resulting from the Contract. See 2 CFR § 200.318(k).

19. Program Fraud and False or Fraudulent Statements or Related Acts

The Contractor acknowledges that 31 U.S.C Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor's actions pertaining to this Contract.

20. Affirmative Socioeconomic Steps

Applicability: For procurements under FEMA declarations and awards issued on or after November 12, 2020.

If Subcontracts are to be let, the Prime Contractor is required to take all necessary steps identified in 2 CFR § 200.321(b)(1)-(5) to ensure that small and minority businesses, women's business enterprises, and labor surplus area firms are used when possible. The necessary steps are as follows:

- 1) Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
- (2) Assuring that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
- (3) Dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises;
- (4) Establishing delivery schedules, where the requirement permits, which encourage participation by small and minority businesses, and women's business enterprises; and
- (5) Using the services and assistance, as appropriate, of such organizations as the Small Business Administration and the Minority Business Development Agency of the Department of Commerce.

21. Copyright and Data Rights

Applicability: When a Participating Public Agency enters into a Contract requiring a Contractor or Subcontractor to produce copyrightable subject matter and/or data for the Participating Public Agency under the award, the Participating Public Agency should include appropriate copyright and data licenses to meet its obligations under 2 CFR § 200.315(b) and (d), respectively.

The Contractor grants to the Participating Public Agency, a paid-up, royalty-free, nonexclusive, irrevocable, worldwide license in data first produced in the performance of this contract to reproduce, publish, or otherwise use, including prepare derivative works, distribute copies to the public, and perform publicly and display publicly such data. For data required by the Contract but not first produced in the performance of this Contract, the Contractor will identify such data and grant to the Participating Public Agency or acquires on its behalf a license of the same scope as for data first produced in the performance of this Contract. Data,

**GOODS, PROFESSIONAL SERVICE AND GENERAL SERVICE CONTRACTS**

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will take affirmative action to ensure that such applicants are recruited and employed, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor, where applicable, will send to each labor union or representative or workers with which it has a collective bargaining agreement or other contract or understanding, a notice, to be provided by the agency contracting officer advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

The contractor or subcontractor agrees to make good faith efforts to employ minority and women workers consistent with the applicable county employment goals established in accordance with N.J.A.C. 17:27-5.2, or a binding determination of the applicable county employment goals determined by the Division, pursuant to N.J.A.C. 17:27-5.2.

The contractor or subcontractor agrees to inform in writing its appropriate

recruitment agencies including, but not limited to, employment agencies, placement bureaus, colleges, universities, labor unions, that it does not discriminate on the basis of age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, and that it will discontinue the use of any recruitment agency which engages in direct or indirect discriminatory practices.

The contractor or subcontractor agrees to revise any of its testing procedures, if necessary, to assure that all personnel testing conforms with the principles of job-related testing, as established by the statutes and court decisions of the State of New Jersey and as established by applicable Federal law and applicable Federal court decisions.

In conforming with the applicable employment goals, the contractor or subcontractor agrees to review all procedures relating to transfer, upgrading, downgrading and layoff to ensure that all such actions are taken without regard to age, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex, consistent with the statutes and court decisions of the State of New Jersey, and applicable Federal law and applicable Federal court decisions.

The contractor and its subcontractors shall furnish such reports or other documents to the Div. of Contract Compliance & EEO as may be requested by the office from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Div. of Contract Compliance & EEO for conducting a compliance investigation pursuant to **Subchapter 10 of the Administrative Code at N.J.A.C. 17:27.**

**C.271 POLITICAL CONTRIBUTION DISCLOSURE FORM**

**Public Agency Instructions**

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 ([http://www.nj.gov/dca/divisions/dlgs/resources/lfns\\_2006.html](http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
  - a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at <http://www.nj.gov/dca/divisions/dlgs/programs/lpci.html#12>. They will be updated from time-to-time as necessary.
  - b. A public agency using these forms **should edit them to properly reflect the correct legislative district(s)**. As the forms are county-based, **they list all legislative districts** in each county. **Districts that do not represent the public agency should be removed from the lists.**
  - c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
  - d. The form may be used "as-is", subject to edits as described herein.
  - e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.

**EXHIBIT H**  
**ATTACHMENT 4**

- f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at [http://www.nj.gov/dca/divisions/dlgs/resources/lfns\\_2006.html](http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html)) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

**C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM  
Contractor Instructions**

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee\*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
  - of the public entity awarding the contract
  - of that county in which that public entity is located
  - of another public entity within that county
  - or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

**EXHIBIT H**  
**ATTACHMENT 4**

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

\* N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

## Exhibit B – Supplier Response

### A. National Commitments

1. Please provide a written narrative of your understanding and acceptance of the Supplier Representations and Covenants in Section 1 of this Attachment.

If awarded, the full commitment of the company will be given towards the Master Agreement. This includes being supported by our senior executive management. Our contract offerings will be tailored to the participating agency based on their own needs. For instance, state level agencies would be approached with its own state contract if applicable. As most state contracts are required to be utilized by state agencies. Other participating agencies will be offered a contract based on their registration status and utilization of a master agreement.

### B. Company

1. Provide a brief history and description of Supplier, including Supplier's experience in providing similar products and services.

Moridge Manufacturing, Inc. is a worldwide manufacturer of the Grasshopper™ brand zero-turn lawn mower. The Grasshopper™ brand was introduced to the market in 1969 and has remained an industry leader, pioneering many firsts in the industry. The company continues to innovate and grow by continually investing in product research and design, operations efficiency and effectiveness and dealership support.

All Grasshopper™ mowers are designed, assembled and shipped from Moundridge, Kansas. Moridge Manufacturing operates warehouses throughout the United States that ultimately support our dealer network. This network is comprised of authorized independent businesses located in all 50 states. Each dealership location is managed by a factory field representative that assists with marketing, sales and servicing of the brand.

At the factory level there is a dedicated government department comprised of four full-time individuals. These individuals collectively have 40+ years of experience in managing government accounts. They work closely with both internal and external stakeholders to effectively meet the needs of government users. This department would oversee the contract requirements of a national cooperative contract. Brent Dobson, Director of Government Accounts, would be the primary point of contact for contract negotiations or clarifications.

2. Provide the total number and location of sales persons employed by your company in the United States.
  - i. WA, OR, CA, ID, NV, AZ, UT, MT, WY, CO, NM
    - i. 4 field sales representatives

8. Describe any green or environmental initiatives or policies.
- i. Utilize powder coat painting; this technique eliminates the environmental hazards associated with traditional painting methods
    - i. Powder coat particles can be reclaimed and reused eliminating waste
    - ii. Powder coat painting process has been used since the mid-1980's
  - ii. All scrap metal that is generated is collected and recycled
    - i. Investments in laser cutting technology further reduce scrap rates
  - iii. Wood pallets are used for crating and distribution of mowers; wood is renewable and reusable
  - iv. Utilize diesel engines across a large portion of our product offering dating back to 1983. Diesel powered motors offer superior power, cost efficiency, convenience and lower operating emissions than a comparable gasoline or liquefied petroleum gas (LPG) engine.
9. Describe any diversity programs or partners Supplier does business with and how Participating Public Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a listing of diversity alliances and a copy of their certifications.
- i. If the opportunity arises that a Participating Public Agency desires to utilize a local and/or MWBE company then they are more than welcome to work directly with our dealer. It is really about the customer experience and ensuring that our customer is more than satisfied with Grasshopper product and service. Grasshopper dealers are well trained in handling Public Agency customers and we understand the importance of "buy local" and support MWBE companies. Due to our extensive experience with government contracting, we will help drive customers to our dealers that are local or MWBE companies. Grasshopper is also an equal opportunity employer and abides by the applicable non-discrimination laws and will not unlawfully discriminate against any employee or applicant because of race, color, age, sex, religion, national origin, ancestry, Vietnam era veteran status, or disability.

10. Indicate if Supplier holds any of the below certifications in any classified areas and include proof of such certification in your response:
  - i. We do not hold any certifications as listed in this section
11. Please describe any Affirmative Action Policy your company has in place.
  - i. N/A

## C. Order Processing and Distribution

1. Describe your company's normal order processing procedure from point of customer contact through delivery and billing.
  - i. Once an order is received at Grasshopper it is copied to Bid Department, Logistics, Accounting, Factory Representative and Servicing dealer. The order is entered in government purchase order log and delivery time frame log for tracking purposes. Once unit is shipped and delivered to customer, delivery information and warranty are re-turned to Grasshopper Company. An invoice is then generated to the customer.
    - i. Purchase orders are accepted by mail, fax or email. Telephone orders are acceptable, however we have the customer confirm by signing and dating their quote as acceptance of the pricing and terms.
    - ii. Grasshopper Company utilizes a single source platform for shipping and warranty. In-voicing is integrated with the warranty information. Purchase order and Delivery tracking is a separate bid Department system. This allows the Grasshopper Bid Department to generate reports by contract, by state, sales and by Public Agency.
2. In what formats do you accept orders (telephone, ecommerce, etc.)?
  - i. Telephone, email
3. Please describe your single system or platform for all phases of ordering, processing, delivery and billing.
  - i. We utilize an in-house developed ERP system that handles product orders, processing, delivery and billing.
4. Please state your normal payment terms and any quick-pay incentives available to Participating Public Agencies.
  - i. Invoices are due NET 30 days from invoice date.
5. State which forms of ordering allow the use of a procurement card and the accepted banking (credit card) affiliation.
  - i. All orders can be paid via credit card, credit card payments are taken via the telephone. Visa and Mastercard are accepted.
6. Describe how your company proposes to distribute the Products and Services nationwide.
  - i. The Grasshopper product is available in all 50 U.S. States
  - ii. The product will be shipped from the factory located in Moundridge, Kansas directly to a dealer, or from a factory-owned warehouse, via company owned fleet or common-carriers
  - iii. Purchase orders for sales under the Master Agreement in the following states would be issued to an authorized Grasshopper dealer. In all other states purchase orders would be issued to Moridge Manufacturing, Inc.
    - i. California
    - ii. Illinois
    - iii. Maryland

## iv. New Jersey

7. Identify all other companies that will be involved in the processing, handling or shipping of the Products and Services to the end user.
  - i. This will be comprised of the independent dealer network, company owned fleet and warehouse staff and national and regional common-carriers
8. Describe how Participating Public Agencies are ensured they will receive the Master Agreement pricing with your company's distribution channels, such as direct ordering, retail or in-store locations, distributors, etc. Describe how Participating Public Agencies verify and audit pricing to ensure its compliance with the Master Agreement.
  - i. Our quoting system called Quik Quote was developed to ease the time necessary to prepare a correctly configured quote. This quoting platform has been expanded to include contract pricing. Factory staff and dealers have access to this system. The Factory is responsible for maintaining the System for MSRP and contract pricing accuracy, contract pricing does not have to be manually figured. Each Master Agreement quote will have the contract name, number and applicable contract dates auto-populated onto the quote.
9. Provide the number, size and location of your company's distribution facilities, warehouses and retail network, as applicable.
  - i. See Tab 5: Product Information/Service Capability for approximate number of dealer retail locations by state.
  - ii. Company owned warehouses located in Kansas, Georgia, Florida and Michigan
    - i. Approximate s. ft. of space: 430,510
  - iii. Third-party distributors with warehouses located in Ohio, Pennsylvania, Iowa, Minnesota, North Dakota, South Dakota, Oklahoma, Utah, Illinois
    - i. Approximate sq. ft. of space: 88,010
10. Describe your ability to provide customized reports (i.e. commodity histories, purchase histories by department, etc.) for each Participating Public Agency.
  - i. Customized reporting can be complied with based on each individual request
11. Describe your company's ecommerce capabilities:
  - i. Grasshopper has integrated our product catalog into various purchasing systems across the USA. We currently do not utilize punch out sites however, we do have the capabilities to create this mechanism. Our Quik Quote system which is currently being used to generate contract quotes and convert them to orders, can be configured into a private punch out site for GovMVMt members.
  - ii. Grasshopper has integrated with several states purchasing systems in offering our product catalog with their purchasing system.
    - i. Texas – SmartBuy
    - ii. Georgia – Team Georgia Marketplace
    - iii. North Carolina
    - iv. State of Arkansas – ArkansasBuys
    - v. State of Missouri – MissouriBuys
    - vi. State of Kansas

## D. Sales and Marketing

1. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as Supplier's preferred go-to market strategy for Public Agencies to Supplier's teams nationwide.

# Moridge Manufacturing, Inc.

P.O. Box 810 Moundridge, KS 67107  
Phone: 620-345-6301 Fax: 620-345-2301

- i. Within a 90-day period from award date our nationwide sales teams will be educated on the new contract. This will be in several stages to two different groups. First, factory sales representatives will be updated on the new contract through email and phone conferences. This instruction will cover proper understanding of the contract terms, procedures and reporting requirements. As well as the proper Master Agreement pricing and how to quote it accurately.
  - ii. The next group to receive instruction will be the authorized dealer network. They will be instructed from both a factory level and by the associated factory sales representative. Email and phone conferences will be utilized. Dealers also have access to a dedicated website where quoting and co-branded marketing/training materials are available.  
1-30 days post award – executive & project team training  
31-60 days post award – national sales team training  
61-90 days post award – dealership training
2. Provide a detailed 90-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to perspective Public Agencies nationwide immediately upon award.
  - i. Trade publications will be analyzed and selected for initial release
  - ii. Supplier's website will be updated/revised with current Master Agreement information
  - iii. Shows will be coordinated with Grasshopper national sales team and GovMVMT
  - iv. Annual forum schedule will be coordinated with Grasshopper national sales team and GovMVMT
  - v. Form the basis of our national and regional advertising campaign for the lifecycle of the Master Agreement
  - vi. Will review/develop case studies, collateral pieces for ongoing promotion

  - i. At the factory level there is a dedicated government department comprised of four full-time individuals. These individuals collectively have 40+ years of experience in managing government accounts. They work closely with both internal and external stakeholders to effectively meet the needs of government users. This department would oversee the contract requirements of a national cooperative contract.
11. While it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement. Describe your company's strategies under these options when responding to a solicitation.
  - i. Respond with Master Agreement pricing (Contract sales reported to GovMVMT).
  - ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the Contract, the sales are reported as contract sales to GovMVMT under the Master Agreement.
  - iii. Respond with pricing higher than Master Agreement online in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract sales are not reported to GovMVMT).
  - iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.
    - i. Based on the solicitation's region a master agreement would be chosen based on prior sales data. Contract sales would be reported to master agreement.
    - ii. Sales would be reported if the solicitation can be avoided with a master agreement even though the sales price is lower than the standard master agreement not-to-exceed pricing.
    - iii. Market based pricing would be used if a master agreement is refused
    - iv. If multiple proposals are submitted and one is a master agreement, the sale would be reported if a master agreement is selected
12. Describe your company's sales goals for this Contract if awarded the Master Agreement, including targeted dollar volume by year:

## E. Additional Information

1. Please use this opportunity to describe any other offerings your organization can provide that you feel will provide additional value and benefit to a Participating Public Agency.
  - i. The Grasshopper Company offers several features and benefits over other zero turn mowers that make us more advantageous to GovMVMT customers. Grasshopper high

quality of Cut, power and performance systems and Implement capabilities would give GovMVMT customers the best in quality and performance.

Grasshopper designed matched transmissions are more durable and longer lasting than other competitive systems. The specially formulated Hydro oil (exclusive to Grasshopper Mowers) allows us to change oil every 1,000 hours compared to other companies that have to change oil 3X as much. Grasshopper is the only zero turn mower to use a 7-micron absolute filter on its G2 transmissions.

Grasshopper has developed several ergonomic features that make out mowers a comfortable for the operator, but also reduce workers comp claims and accommodate handicap operators. One example of this would be a company called Challenge Unlimited that use Grasshopper Mowers exclusively on a contract at Scott AFB in Illinois. We also test our mowers to meet CE certification for Europe and other countries. This means we run at lower sound than other brands.

Grasshopper's Bid Department is an example of our focus on the government customer. Our premier customer experience is not just for our residential market. It is also for our commercial market. GovMVMT customers will appreciate the one on communication Grasshopper can provide and the expertise that can only come from a company that has been producing Grasshopper mowers since 1969.

"Good Enough" is not in our vocabulary. Grasshopper Company continues to invest in new manufacturing equipment such as a 150 ton press brake and Fiber Optic Laser in maintaining its competitive stance in the mowing industry. The Grasshopper mower is continuously tested and developing the Grasshopper mower to provide the best mowing experience possible.

Today, Grasshopper mower and all-season implements are available through an independent dealer network in all 50 states and over 40 countries. The Grasshopper Company division of Moridge Manufacturing, Inc. has built a worldwide reputation with zero-turn radius mowers and grounds maintenance equipment. With True Zero Turn™ capability, Grasshopper products turn any large or complex mowing job into quick and easy work. The growing product line includes more than 50 combinations of zero turn mowers.

Many of our proven, high performance implements such as vacuum collection systems, dozer blades, V-blade, Edger and Remote Vac are made by the Grasshopper Company. This means you don't have to go to a third party for warranty.

Grasshopper Companies focus on the government customer has led to specialized mowers with hydraulic cutting height adjustment, aluminum sunshade canopies, speed trim roller kits (close trimming to buildings and fences), joystick control implements, rear discharge cutting decks, Custom Fit Quik-Adjust™ steering levers and several other accessories. These accessories give Grasshopper a stand out position against other brands that offer limited portfolios of accessories.

The Grasshopper Bid Department brings 90 years of combined experience in government contracting. Our Marketing director has 40 plus years of experience working with federal, state and local governments and created the Bid Department back in the 1990's. Our Marketing Director saw early on the focus needed to work with government entities. Our online Quik Quote system allows our dealers to create customized contract quotes that can be turned into purchase order and orders for shipment. Grasshopper Company's online tailored parts programs have tremendous value to your government customers.

Plus Grasshopper Company has 50 plus years of experience manufacturing and shipping our product. We understand that not everything goes as planned and our experience in solving customer issues and meeting the commitments to our dealers and customers is priority.

Grasshopper Company has built a reputation on quality and productivity. Please take a moment and watch our company video and Fast Action video to get a sense of the people behind the product. This product is backed by a nationwide network of servicing dealers. Our sales force is focused on government business and training our dealer network to work with government business.

If awarded a contract with GovMVMT, Grasshopper Company would like to invite the GovMVMT field reps to our factory for a hands on demonstration and tour of our facility. We understand the challenges of a National Agreement and will closely work with GovMVMT to ensure the best possible experience for your customers.

RE: Cover Letter – Sealed Bid# AU-2023-0000634

Dear Auburn University,

Moridge Manufacturing, Inc. is a worldwide manufacturer of the Grasshopper™ brand zero-turn lawn mower. The Grasshopper™ brand was introduced to the market in 1969 and has remained an industry leader, pioneering many firsts in the industry. The company continues to innovate and grow by continually investing in product research and design, operations efficiency and effectiveness and dealership support.

All Grasshopper™ mowers are designed, assembled and shipped from Moundridge, Kansas. Moridge Manufacturing operates warehouses throughout the United States that ultimately support our dealer network. This network is comprised of authorized independent businesses located in all 50 states. Each dealership location is managed by a factory field representative that assists with marketing, sales and servicing of the brand.

At the factory level there is a dedicated government department comprised of four full-time individuals. These individuals collectively have 40+ years of experience in managing government accounts. They work closely with both internal and external stakeholders to effectively meet the needs of government users. This department would oversee the contract requirements of a national cooperative contract. Brent Dobson, Director of Government Accounts, would be the primary point of contact for contract negotiations or clarifications.

# TRUE ZERO TURN™ MOWERS

CONTOUR-CUT FRONTMOUNT™ AND MI MIDMOUNT™ GROUNDS MAINTENANCE SOLUTIONS

# NOTHING KNOWS TURF LIKE A GRASSHOPPER

## FIRST TO FINISH . . .

No matter where you mow, there's a Grasshopper True ZeroTurn™ mower that's perfect for the jobs you handle every day. You'll make quick work of wide open areas and zip in and out of tight spaces you thought only a walk-behind could reach, thanks to precise, responsive control of zero-turn maneuverability.

## BUILT TO LAST.

When we say a Grasshopper mower could be the last mower you'll ever need, we mean it. Because every mower is built to last, with commercial-grade features you won't find in most mowing equipment. When considering your next mower, look for features such as:

- Sentry™ spindle guards protect bearings from debris
- Fused, automotive-style circuits
- Service-friendly design for ease of maintenance
- Kevlar-type belts for extended belt life
- ¼-inch-thick MARBAIN® steel blades for longer blade life
- 5-bolt wheel pattern to handle side loads and curb shocks
- 8-inch spindle flanges with 6-bolt pattern for added strength
- Anvil-edge deck design protects the leading edge
- Dust-proof fork bearings to seal out contaminants
- 5.5-inch-deep decks for superior airflow\*
- Double-laminate deck top across entire width of deck

LIMITED WARRANTY<sup>1</sup>

3 YEAR

As a result, your FrontMount™ or MidMount™ mower will work harder, last longer and deliver dependable performance season after season. It will still be delivering carpet-like cuts, while retaining its value as a re-sellable asset when you do decide to trade it in for a new Grasshopper mower.

## TEST DRIVE ONE TODAY.

Just test driving a Grasshopper mower will be enough to convince you how maneuverable, efficient and comfortable a mower can be. Our engineers understand what it takes for an operator to stay alert and in control — all day if necessary — and step off feeling fresh and energized. They translate that understanding into features that make mowing easier and more fun than you ever thought possible. So, stepping onto your Grasshopper mower will be something you look forward to.

## THE SCIENCE BEHIND THE GRASSHOPPER CUT

The science of airflow includes specially-designed chambers that optimize grass-cutting action. A level cut requires that the grass be lifted at the exact moment that the cutting blade comes into contact with it. But like any complex equation, there are many variables that have to be taken into consideration.

### AIRFLOW

For example, extra-deep decks allow the cut grass to be cleared out of the chambers in order to maximize the grass lift as the mower moves forward. The special design of the cutting blades in the Grasshopper's GrassMax™ blades works in concert with the air chambers to maximize lift and move the cut grass out of the chambers. These blades are created from MARBAIN® steel and hold their edge longer, thereby requiring fewer sharpenings over the life of the blade. The GrassMax™ blade system includes a selection of six blade styles to address a variety of grass and mowing conditions. Every blade is designed for optimum lift and superior discharge. This design also reduces drag and power loss and contributes to better fuel economy.

### DECK CONSTRUCTION

Maintaining proper airflow and a level cut also requires sturdy deck construction. All Grasshopper decks are manufactured with a double laminate steel spindle plane across the entire surface of the deck, not just around the spindles. This design helps keep the blades and spindles perfectly level. The leading edge of these decks incorporates an anvil edge reinforced with specially-formed steel. The geometry of the formed steel is 74 times stronger than flat steel reinforcement on the leading edge. Caster wheels are strategically positioned to enable the blades to lift grass up even after the wheels have driven over them.

### SUSPENSION

Suspension means more than having a comfortable seat. Obtaining a manicured cut requires that the cutting deck follow the contours of the ground without bouncing up and down. This bounce will result in a wavy, or uneven cut. The in-frame isolation built into Grasshopper mowers minimizes deck bounce and provides a quick smooth response in turns and while trimming. This results in time savings while achieving that groomed, velvet cut that everyone desires.

## UNPARALLELED COMFORT

### COVER MORE GROUND IN LESS TIME

Stay focused, alert and comfortable throughout the speed range and be more productive, efficient and profitable. The ergonomic design, smooth vibration-free ride and premium seat reduce fatigue and dissipate jolts and jostles on uneven ground. And if you have crews mowing, the dramatic increase in productivity and reductions in employee turnover, absenteeism and workers' compensation claims can have a big impact on your business.

## GET UNMATCHED ERGONOMICS

An iso-mounted, shock-absorbing footrest that prevents leg and knee fatigue, coupled with an iso-mounted seat and integrated MultiPoint Suspension™, banish vibration for a smoother ride. Seats are covered in breathable CoolTemp Cordura® fabric that dissipates heat and won't crack or tear with extended use.

## ENJOY THE RIDE

The Premium Comfort seat features padded lumbar support and armrests covered in breathable CoolTemp Cordura® fabric that won't tear or crack. Armrests have steel support. Seat position enhances the center of gravity for added stability. Optional Wide Seat Conversion Kit available.

## KICK UP THE COMFORT

An optional Cordura®-covered Premier Suspension Seat provides a custom fit for operators. The backrest tilts and includes adjustable lumbar support. Seat also adjusts to operator weight and slides fore and aft. Adjustable, foldable armrests round out the comfort features.

## STEER INTUITIVELY

The Hydra-Smooth™ dampened dual swing-out control levers deliver effortless control of speed and direction. They easily adjust to your reach, and automatically return to neutral from forward or reverse when released. The dual swingaway lever design was introduced to the industry by Grasshopper in 1969.

## MAKE IT YOUR OWN

QuickAdjust Tilt™ dual levers offers a 9-inch adjustment that works together with the adjustable seat to provide a custom fit for operators of all sizes. Optional extended levers are also available for taller operators.

## REDUCE FATIGUE

The operator stays alert and in control with the ergonomically designed operator station. Enjoy maximized visibility with operational controls and adjustable cup holder at your fingertips.

## YOUR SAFETY IS OUR PRIORITY.

Our Vigilant Operator Presence System™ combines a standard Roll-over Protection System (ROPS) structure with an adjustable seatbelt for peace of mind.

Hydraulically dampened steering levers deliver a smooth, responsive ride and return to neutral when released from both forward and reverse.

A system of interlock switches shuts down the engine if the operator leaves the seat with the PTO engaged or when the levers are in the operating position.

## BUILT TO LAST

### SEASON AFTER SEASON

Count on flawless performance, even after years of use, because the strength is built in where it counts most. Rugged engines provide reliable power that handles the toughest applications. Add to that a lower-maintenance design, and you've got a mower that lasts, too.

#### METAL WHERE IT MATTERS

A robotically welded, high-grade U.S.A. steel exoskeletal™ frame and formed steel H-beam reinforcement provide rugged durability without excess weight for a lighter footprint.

#### HEAVY-DUTY TRANSMISSIONS

Hydrostatic transmissions used in Grasshopper mowers are built to strict specifications and design matched to the power unit to provide that smooth, intuitive feel that only Grasshopper delivers. The transmissions transfer more power to the cutting deck for quieter operation, longer service life and traction through turns for a better quality cut.

#### BUILT TO TAKE IT

Aluminized steel fenders resist corrosion. Lower debris-ingestion guards shroud internal components from harsh elements and the hazards of commercial mowing.

*Models may be shown with optional equipment.*

## RELIABLE POWER THAT ENHANCES PERFORMANCE

Before any engine model is offered in a Grasshopper mower, it must pass thousands of hours of testing in all kinds of temperatures and mowing conditions. All mowers are designed to take maximum advantage of the engine's power and deliver more of it to the cutting decks and implements. Engines are positioned at the rear of the power unit in order to provide a cooler environment for both the engine and the operator thanks to the front-to-rear airflow. Fit your operation with choices of V-twin, 3-cylinder, air- or liquid-cooled, gasoline or diesel OHV engines that deliver dependable power at every start.

## LESS MAINTENANCE MEANS MORE "UPTIME," LESS "DOWNTIME"

Mechanics say you'll spend less time on maintenance and more time getting the job done. With fewer grease points and easier access to belts and filters, it's easy to keep your mower in peak condition.

- » Extended service intervals. With its rugged design and fine-particle filtration system, you'll run your mower up to 1,000 hours between transmission oil changes — more than three times longer than other mowers.
- » Cleaner, cooler operation. High-efficiency, fine-particle filtration protects the transmission while an auxiliary cooling fan on each transmission pump, an original Grasshopper specification requirement, extends service intervals and transmission life.

REDUCE COSTS  
— TO AS LOW AS —  
**7 CENTS**  
PER HOUR

Design-matched pump-and-wheel-motor drive systems run cooler to extend service life. Using genuine Grasshopper fluid and filters keeps costs as low as 7 cents per hour.

### SERVICE-FRIENDLY ENGINES

Horizontal crankshaft engines are accessible and offer rear access to the clutch and a cleaner environment for extended service life.

### CLEANING IS A BREEZE

A clean radiator protects your engine from overheating. A removable debris screen on liquid-cooled models simplifies cleaning. An optional cleaning wand uses water pressure to dislodge debris without damaging radiator fins.

### SIMPLIFIED SERVICE

Access belts and grease points quickly and easily, thanks to our Access-Eze™ design.

### QUICK ACCESS

Simply raise the hood on liquid-cooled models for engine access.

With only five lubrication points on MidMount™ models and fewer than 10 on FrontMount™ models, you'll significantly reduce the time you spend on maintenance.

# ADVANCED FEATURES FOR SUPERIOR PERFORMANCE

Every component of a Grasshopper mower is designed from the blades up to deliver both long life and enhanced cut quality. DuraMax® decks leave picture-perfect results — even on less than perfect yards.

## ENHANCED AIRFLOW

Extra-deep, 5.5-inch deck features specially designed cutting chambers that deliver superior airflow for better cut quality (4.5-inch on 48-inch FrontMount™ decks).

## DURABLE DESIGN

The strength of the anviledge DuraMax® deck is enhanced by doubling-up with an extra layer of formed steel that bridges front-end components for impact protection. The geometry of the formed steel is 74 times stronger than a strip of flat steel added to the leading edge.

## GRASS-GROOMING STRIPING KIT [STANDARD]

Deck-mounted multi-ply rubber belt "combs" grass into crisp, uniform stripes without a cumbersome roller that can catch on obstacles or gouge turf.

## ONE DECK

### THREE WAYS TO HANDLE CLIPPINGS

Easily convert the same deck from standard side discharge to optional PowerVac™ Collection, or add a Down Discharge™ mulching package. Down Discharge mulching system reroutes airflow and clippings into a vortical pattern reducing the size of grass particles and drives them deep into the turf.

*Dedicated rear discharge decks are also available. See pages 11 and 13 for details.*

### VERTICAL ROLLER KITS

Trim close without rubbing buildings, chain link fences and landscaping.

Available for 52-inch or larger decks.

# DURAMAX® DECKS DELIVER ONE-PASS PERFECTION EVERY TIME

As a key element in getting a manicured cut, we've spent years perfecting our cutting decks to achieve superior airflow for a great cut. Yet, knowing that durability is just as important, we didn't settle for the flimsy, stamped steel deck construction you'll find on many competitive mowers.

## THE INDUSTRY'S TOUGHEST SPINDLES

1. Massive 8-inch spindle flanges anchored in a 6-bolt pattern spread the force of impact for greater strength in tough mowing applications.
2. Double-layered, formed steel spindle plane is nearly 1-inch thick in stress zones.
3. Sentry™ spindle guards shield the spindle housing and seal lower bearings from moisture, fiber wrap, fishing line and plastic bags, as well as dirt ingestion.
4. Precisely-turned, ground and polished spindle shafts, with non-greaseable double bearings are designed for high-rotational speeds and minimal maintenance, and keep out dirt and moisture without the need for oversized spindles.
5. Split-steel pulleys are stronger than cast iron or stamped pulleys for exceptional durability to withstand wear and prolong belt life.

## A CHOICE OF BLADES FOR THE BEST CUT

GrassMax™ blades are specially designed to create the airflow needed for a precision cut in a wide variety of conditions. All six types of GrassMax™ MARBAIN® blades are 1/4-inch thick and are through-hardened to hold their edge longer, delivering a better cut and twice the life of aftermarket blades.

# MIDMOUNT™ MOWERS

A 4-wheel power unit with the cutting deck mounted under the operator seat and forward of the engine. You'll appreciate our MidMount™ mowers for their durability, ease of transport, timesaving maneuverability and one-pass perfection, making them everything you want in a mower and everything you expect from a Grasshopper.

MULTI-POINT  
SUSPENSION™

● Suspension   ● Iso-Mount   ● SmartFrame™   ● Operator Station   ● Stability

Iso-mounted CoolTemp Cordura®-covered Premium seat and armrests with shock-absorbing footrest eliminates vibration.

QuikAdjust Tilt™ levers (optional) provide more than nine inches of custom adjustment.

Optional DuraFlex™ Suspension Fork

DuraFlex™ suspension forks (optional) absorb the impact of rough terrain to maintain a level cut and can be set in fixed position for use with PowerVac™ collectors.

*(Optional Michelin® X® Tweel® 13-inch front tires are not for use with DuraFlex™ forks.)*

Flexing 3-piece SmartFrame™ provides smooth, shock-dampening operation.

Strategically placed ISO mounts absorb and reduce vibration.

Low-pressure flotation tires (optional) flex with the terrain, absorb shock and dissipate roughness.

12-gallon, single-fill fuel tank located underneath the seat enhances low center of gravity for terrain-hugging comfort.

## EASY HEIGHT CONTROL

QuikAjust™ DropPin™ height adjustment raises and lowers the deck with one foot for precision cutting heights from 1 to 5 inches in ¼-inch increments.

Electric height adjustment available for 200 and 300 Series models. Hydraulic height adjustment (standard on 400 Series mowers) is an option for liquid-cooled 300 Series mowers equipped with 61- or 72-inch decks.

QuikAdjust Tilt™ levers provide more than nine inches of custom adjustment.

The AntiVibe Power Platform® isolates the engine and T-Drive™ train from the operator platform for an unprecedented vibration-free experience.

Strategically placed ISO mounts absorb and reduce vibration.

Pivoting tail beam system provides smoother ride.

Low-pressure flotation tires flex with the terrain to absorb shock.

A longer wheelbase with weight distributed across five, six or eight tires for a smooth, balanced ride.

**PowerFold**

The exclusive PowerFold® Electric Deck Lift raises the deck to a near vertical position at the touch of a switch for easy underside maintenance and space-saving storage. The same switch is also used to adjust the cutting height.

Panoramic visibility reduces neck strain while trimming up close because of the low-profile FrontMount™ deck.

MaxTrax® weight transfer system provides terrain-hugging traction.

## OUTFRONT REACHABILITY

Low-profile, contour-cut outfront decks reach under fences, shrubs and low-hanging trees and nose in and out of tight spaces with ease. Operator station is positioned to eliminate twisting and turning to monitor mowing. Trim as you mow to virtually eliminate string trimming while saving labor, fuel and time.

## POWERFOLD® ELECTRIC DECK LIFT

An industry-first, the exclusive PowerFold® Electric Deck Lift is a standard feature on every FrontMount™ Grasshopper mower. It controls both deck lift and cutting height with a single switch.

When the deck is raised, enjoy space-saving portability and storage thanks to a smaller footprint equal to mid-mounted mowers.

The near vertical position provides easy underside access for cleaning, changing blades, etc.

The same switch adjusts cutting height between 1.25 and 5 inches. Spacers are used to return to a preset height every time in 1/4-inch increments. No need to reposition hitch pins or perform other time-consuming procedures to change cutting heights.

## RESPONSIVE CONTROL

Patented TDrive™ hydrostatic drives on 600 and 700 Series models couple directly to the engine for smooth, responsive control. Routine maintenance is simplified thanks to an uncluttered configuration under the seat.

## DEDICATED REAR DISCHARGE

FrontMount™ rear discharge decks evenly distribute clippings out the back, channeling them away from sidewalks, flower beds, parking lots and gravestones without windrowing.

## DECK FLOTATION INSERTS

Full flotation inserts provide the optimal degree of lateral deck flotation. This enables the contour cut, outfront deck to follow the undulations of the terrain and deliver a manicured cut.

## HYDRAULIC LIFT

An optional "on-the-go" hydraulic lift for 700 Series FrontMount™ tractors lifts the deck or implement off the ground to clear curbs, trailer ramps and more. Standard on 900 Series models.

## MAXTORQUE™ CLEAN DIESEL

### POWER, PERFORMANCE, PRACTICALITY AND SUSTAINABILITY

Grasshopper MaxTorque™ diesel mowers will meet your emissions goals while enjoying convenient, cost-effective power and performance. Handle the toughest jobs with minimal fuel use and maintenance, plus EPA Tier 4 Final emissions compliance. No power-robbing after treatment required.

MaxTorque™ takes clean diesel design to the next level, creating a power unit that channels all that torque into a quiet, comfortable ride with nimble handling, fast mowing speed and the superior, groomed cut you expect from a Grasshopper.

## CONSIDER THE BENEFITS OF CLEAN DIESEL

### COST-EFFECTIVE PERFORMANCE

Diesel fuel's higher energy density delivers more efficiency without sacrificing power and torque. Compared to propane, diesel delivers over 50% more power per gallon equivalent.

### MORE POWER, FEWER EMISSIONS

Clean diesel provides maximum power with fewer emissions in commercial and residential applications, creating lower levels of carbon monoxide and certain greenhouse gases than either propane or gasoline engines.

### FUEL-EFFICIENT PRODUCTIVITY

Fuel savings and enhanced productivity more than offset the per-gallon cost of diesel fuel versus others. In fact, you can save up to 650 gallons of fuel over 1,000 hours of use, and increase your potential for revenue.

# POWERVAC™ COLLECTION SYSTEMS

## A CLEAN SWEEP FOR A MANICURED APPEARANCE

Building on 60 years of airflow research, PowerVac™ Collection Systems are the most powerful and efficient vacuum collection systems available for turf, delivering professional, finished results that will turn your lawn into the showcase of the neighborhood. As the industry standard in collection technology, PowerVac™ ensures a clean sweep through wet grass, tall vegetation, tough weeds, dense leaves and other turf debris with one pass and no overlap.

Quiet, deck-driven systems move a high volume of air to carry virtually any type of debris through the collection tube without a loud, expensive auxiliary motor. A dynamically balanced, trash-ingesting steel impeller compacts debris without clogging, so you can mow longer without emptying the collector.

### GREATER CAPACITY

Large-volume metal hoppers for use in large-acreage applications feature tapered bottoms that take advantage of gravity to compact debris and achieve maximum capacity requiring fewer stops to empty the collector.

### DON'T LEAVE THE SEAT

Power and lever-actuated metal hoppers allow clippings and debris to be easily emptied from the operator's seat.

### SIMPLE MONITORING

The 6-inch diameter, reinforced, transparent hose carries a large volume of debris, while a ClearView™ sight window lets you monitor fill level.

### ONE DECK DOES IT ALL

Grasshopper decks are designed to easily convert from standard side discharge to PowerVac™ collection, so there's no need for a dedicated deck when collecting clippings. Just install the Quik-D-Tatch® Vac, connect the collector and go!

### SUPERIOR AIRFLOW

GrassMax™ medium-lift blades create perfect airflow to achieve a clean, manicured cut.

### TURN ON A DIME

Enjoy maximum productivity with rear-mounted collectors that retain Grasshopper True ZeroTurn™ maneuverability.

The optional Air Dam Control Kit attaches under the front edge of the deck, in a predetermined location, to minimize dirt and dust blow-out when operating in dry and dusty conditions. Perfect for use with dry dusty leaf vacuum collection.

## POWERVAC™ SOLUTIONS

### REINFORCED MESH BAGS

Reinforced 4-cu.-ft.-capacity mesh bags in twin or triple configurations offer total capacities up to 12 cu. ft. Bags slide in and out for easy clippings disposal.

### METAL HOPPERS

Metal hoppers offer capacities up to 25 cu. ft. and empty from the operator's seat.

## COMMERCIAL-GRADE IMPLEMENTS

### FOR YEAR-ROUND VERSATILITY

Attach your choice of implements to a Grasshopper FrontMount™ power unit to create a high-performance, integrated grounds maintenance system that doesn't compromise on performance and retains zero-turn maneuverability. Horizontal crankshaft engines provide superior power transfer to implements, so you can count on powerful performance in all conditions. Best of all, there is only one engine to maintain compared to multiple single-purpose machines, reducing maintenance, labor and parts inventory.

### QUIKCONVERTER™ IMPLEMENT SYSTEM

Easily remove and connect decks and implements with our exclusive QuikConverter™ Implement System. With a two-point attachment system featuring two spring-loaded pins, you'll easily equip your Grasshopper for any job in minutes without tools.

# TURF CARE TOOLS

## EDGE-EZE™

Reduce edging time by up to 75% with Edge-Eze™, which maintains a clean, sharp edge along sidewalks, driveways and roadways to save you valuable time.

*Learn more at [grasshoppermower.com/edge](http://grasshoppermower.com/edge)*

## TURBINE BLOWER

The PTO-driven Turbine Blower takes advantage of True ZeroTurn™ maneuverability and powerful airflow to clean leaves and debris from congested or wide open areas while cutting time and labor by 50 to 75%.

*Learn more at [grasshoppermower.com/turbine](http://grasshoppermower.com/turbine)*

## AERA-VATOR™ AERATOR

The powerful gyrations of the tines on the PTO-driven AERA-vator™ aerate and loosen compacted soil in 1/4 the time and with 1/4 the labor of walk-behind units, leaving no cores to clean up. Popular for sports fields because turf is ready for immediate use.

*Learn more at [grasshoppermower.com/aerato](http://grasshoppermower.com/aerato)*

## DRIFT CONTROL SPRAYER

A productive and cost-effective way to apply liquid fertilizers, pesticides and herbicides. The ProLawn shielded sprayer applies small droplets that "stick" to vegetation, minimizing chemical use and reducing time and labor more than 60%.

*Learn more at [grasshoppermower.com/sprayer](http://grasshoppermower.com/sprayer)*

## LITTLE BULLY™ DOZER BLADES

Delivering surprising performance, these tough tools harness Grasshopper's True ZeroTurn™ maneuverability to move loose dirt, sand, gravel or snow quickly and easily, saving time and labor.

*Learn more at [grasshoppermower.com/blades](http://grasshoppermower.com/blades)*

## CLEANSWEEP™ ROTARY BROOMS

PTO-driven rotary brooms sweep dirt and debris away in record time, making it ideal for sidewalks, parking lots — even walking paths and tracks. Powerful performance also cleans up to 8 inches of snow and reduces labor by more than 60%.

#### ENHANCED VISIBILITY

A lower panel allows the operator to monitor implement operation.

## POWERFUL SNOW REMOVAL CLEARS A PATH TO WORK AND SCHOOL

Take advantage of zero-turn maneuverability to clear sidewalks, driveways and parking lots quickly and easily with no wasted motion, getting in and out of places you thought only a walk-behind could reach. Equipped with one of our powerful snow removal implements, you'll create a complete, high-performance snow removal system that will deliver professional-grade performance season after season. Short-coupled mounting to the power unit positions the weight of the implement onto the drive wheels for superior traction in snow.
